Western Isles Folk Tales:

Western Isles Folk Tales Ian Stephen, 2014-10-01 *Western Isles Folk Tales* is a representative collection of stories from the geographical span of the long chain of islands known as the Outer Hebrides. Some are well known tales and others have been sought out by the author but all are retold in the natural voice of a local man. You will find premonitions, accounts of uncanny events and mythical beings such as the blue men of the stream who test mariners venturing into the tidal currents around the Shiant Islands. Also included are tales from islands now uninhabited like the archipelago of St Kilda in contrast to the witty yarns from bustling harbours. The author was the inaugural winner of the Robert Louis Stevenson Fellowship 1995 and his Acts of Trust collaboration with visual artist Christine Morrison won the multi arts category in the first British Awards for Storytelling Excellence 2012. Both author and illustrator live in Stornoway, Isle of Lewis. *Highland Folk Tales* Bob Pegg, 2011-11-30 The Highlands of Scotland are rich in traditional stories. Even today in the modern world of internet and supermarkets, old legends dating as far back as the times of the Gaels, Picts and Vikings are still told at night around the fireside. They are tales of the sidh, the fairy people and their homes in the green hills of great and gory battles and of encounters with the last wolves in Britain, of solitary ghosts and of supernatural creatures like the sinister waterhorse, the mermaid and the Fuath, Scotland's own Bigfoot. In a vivid journey through the Highland landscape from the towns and villages to the remotest places by mountains, cliffs, peatland and glen, storyteller and folklorist Bob Pegg takes the reader along old and new roads to places where legend and landscape are inseparably linked. *Sea-spell and Moor-magic* Sorche Nic Leodhas, 1968 Ten folk tales from the Scottish Hebrides, each from a different island. These are stories of the sea populated by giants, waterbulls and fairy creatures. *Beside the fire, a collection of Irish Gaelic folk stories, ed., tr. and annotated by D. Hyde, with additional notes by A. Nutt* Fire, 1890 *Irish Fairy and Folk Tales* William Butler Yeats, 2013-01-30 An ethereal collection of long lost fairy tales and folk stories from Ireland, collated and edited by one of the most sensational Irish poets, W. B. Yeats. This anthology of Irish myths and folklore was first published in 1892 after being carefully collated by W. B. Yeats. The prolific poet had a deep interest in the folkloric history of his country and dedicated part of his career to editing traditional fairy tales and translating them from the original Irish. *Irish Fairy and Folk Tales* is an illusive collection of beautiful and ghostly stories concerning fairies, changelings, witches, giants, the devil and the supernatural. The tales featured in this volume are divided between the following sections: The Trooping Fairies, Changelings, The Merrow, The Solitary Fairies, Ghosts, Witches, Fairy Doctors, Tyeer Na N Oge, Saints, Priests, The Devil, Giants, Kings, Queens, Princesses, Earls, Robbers. *Sketch*, 1896 **The Shamanic Themes in Armenian Folktales** Michael Berman, 2009-03-26 In Marxist anthropological theory, shamanism represented one of the early forms of religion that later gave rise to more sophisticated beliefs in the course of human advancement. The premise of Marxism was that eventually at the highest levels of civilization, the sacred and religion would eventually die out. Znamenski 2007 p. 322. Though history has

of course since disproved this the theory clearly had a great bearing on what was written in the former Soviet Union about shamanism and also on people's attitudes in the former Soviet Republics towards such practices. On the other hand it has been suggested that all intellectuals driven by nationalist sentiments directly or indirectly are always preoccupied with searching for the most ancient roots of their budding nations in order to ground their compatriots in particular soil and to make them more indigenous. Znamenski 2007 p 28. Although this might apply to searching for the roots of Christianity in Armenia when it comes to searching for the roots of pagan practices interest on the part of the people of Armenia is generally speaking not so forthcoming. This impasse coupled with the effects of the repressions against religions including shamanism unleashed by the Soviet government between the 1930s and 1950s along with the recent surge of interest in the Armenian Orthodox church a backlash to the seventy years of officially sanctioned atheism makes research into the subject no easy business. However hopefully this study will at least in some small way help to set the process in motion.

Fairy and Folk Tales of the Irish Peasantry William Butler Yeats, 1888 **Publications** Folklore Society (Great Britain), 1908 **Faery** John T. Kruse, 2020-03-08. CONNECT WITH THE GOOD FOLK AND OPEN YOURSELF TO AMAZING POSSIBILITIES. This impressive book is both a folkloric resource and guide to living and working with your magical neighbors. Featuring an expansive look at the world of Faery and the history, behavior and appearance of the Good Folk, Faery provides detailed and practical advice based on local legends and real encounters. John T. Kruse dives deep into the rich cultural traditions of the British Isles, revealing the symbiotic relationship between humans and faeries. Explore the magic, habits and culture of the Good Folk. Discover the different types of faeries, how to find them and what precautions you should take when working with them. Respectful and thorough, this book will enrich your life and teach you how to truly feel the presence of the Good Folk. Includes a foreword by faery expert Morgan Daimler. *Wisconsin Library Bulletin*, 1969 The Coming of the Unicorn Duncan Williamson, 2012-08-30. Stories are something you carry with you, something to last your entire life to be passed on to your children and their children for evermore. Duncan Williamson came from a family of Travelling People who told stories around the campfire for entertainment and for teaching. As a child, Duncan learnt the ways of the world through stories. My father's knowledge told us how to live in this world as natural human beings: not to be greedy, not to be foolish, not to be daft or selfish, by stories. In this collection, he passes on some of these wonderful children's folk and fairy tales. For over sixty years, Duncan travelled around Scotland on foot, then in a horse and cart, and later an old van, collecting tales which not only come from the Travelling People but from the crofters, farmers and shepherds he met along the way. This collection includes tales about cunning foxes and storytelling cats, hunchbacked ogres and beautiful unicorns, helpful broonies and mysterious fairies, rich kings and fearsome warriors as well as those about ordinary folk trying to make their way in the world. The stories have been written down as faithfully as possible to Duncan's unique storytelling voice, full of colour, humour and life. Waypoints Ian Stephen, 2017-02-23. Adventure memoir, storytelling and celebration of all things maritime meet in Waypoints, a beautifully

written account of sea journeys from Scotland's west coast In the book Ian Stephen reveals a lifetime's love affair with sailing each voyage honours a seagoing vessel and each adventure is accompanied by a spell binding retelling of a traditional tale about the sea His writing is enchanting and lyrical gentle but searching and is accompanied by beautiful illustrations of each vessel drawn by his wife artist Christine Morrison Ian Stephen is a Scottish writer artist and storyteller from the remote and bewitching Isle of Lewis in the Outer Hebrides He fell in love with boats and sailing as a boy pairing this love affair with a passion for the beautiful but merciless Scottish coastline an inspiration and motivating force behind his poems stories plays radio broadcasts and visual arts projects for many years This book will be a delightful and absorbing read for anyone with a passion for sailing and the seas Scotland's landscape and coastlines stories and the origins of language and literature

The Anthology of Scottish Folk Tales Folk Tales Folk Tales Authors, History Press UK, 2019-09-02 This enchanting collection of stories gathers together legends from across Scotland in one special volume Drawn from The History Press popular Folk Tales series herein lies a treasure trove of tales from a wealth of talented storytellers From the Spaeman's peculiar advice and a laird who is transformed into a frog to a fugitive hiding in a dark cave and the stoor worm battling with Assipattle this book celebrates the distinct character of Scotland's different customs beliefs and dialects and is a treat for all who enjoy a well told story

The Types of the Irish Folktale Anna Birgitta Rooth, Seán Ó Súilleabháin, Reidar Thoralf Christiansen, 1962

Catalogue of Books in the Public Library of Western Australia, (Queen Victoria Jubilee Memorial) Public Library of Western Australia, Western Australia. Public Library, Perth, 1905 [Folktales of Ireland](#) Seán Ó Súilleabháin, Sean O'Sullivan, 1999-03-15 Contains a collection of over fifty Gaelic folktales from the archives of the Irish Folklore Commission including tales of kings and warriors pagans and Christians and stories about historical Irish characters

Island Musics Kevin Dawe, 2020-05-26 What does the music of Madagascar or Trinidad tell us about the islands themselves and their inhabitants Is there something unique about island musics How does island music differ from its mainland counterparts Drawing on a range of diverse examples from around the globe this book examines the culture of island music and offers insight into local identities Case studies look at how music tradition popular culture and islander life are linked in modern maritime societies The islands covered include Crete Ibiza Zanzibar Trinidad Cuba Madagascar and Papua New Guinea In revealing the current practice behind modern island musics the book considers the role of world music exotica global tourism

novels and travel writing in constructing fanciful images of islanders and island life Island Musics throws into question some of our most basic notions and assumptions about island societies There are a number of problems common to all island societies that vary in significance depending on an islands size demographics and its proximity to the mainland Problems include remoteness and insularity peripherality to centralized sites of decision making a limited range of natural resources specialization of economics small markets a narrow skills base poor infrastructure and environmental fragility These issues are discussed in relation to the creation of music in the construction of an islander identity Of particular interest is the way in which islanders discuss their music and how it articulates the idea of the other and diaspora Finally Island Musics considers the musical industry music education and the preservation of musical cultural heritage
