**South of Somewhere** Dale Gray,2023-09-05 NAMED A BEST COOKBOOK OF 2023 by TASTING TABLE and LOCAL PALATE A one of a kind recipe chronicle of Dale Gray s life in the south from South Africa to South Korea to the American South South of Somewhere is a unique culinary tour of beloved food

blogger Dale Gray's life to date. Her journey goes way back to South Africa on the outskirts of Cape Town. Dale grew up with a close knit family who has resided in her hometown for generations but it's almost impossible to encapsulate her heritage in a few words. She describes the people of South Africa as a product of centuries of colonization, enslavement, apartheid, and intermarriage between people from Asia, Africa, and Europe, now comprising a colorful blend of Eastern, Western, and African heritage. After growing up in South Africa, Dale taught English for six years in South Korea and she later moved to the American South where she resides now with her husband. The result of her travels is a one of a kind cookbook with dishes including Porch Party Shrimp with Mississippi Comeback Sauce, Salmon Ssam Feast, and Garlic Peri Peri Roast Chicken. Dale Gray is best known for creating delicious dinner recipes for her blog and Instagram that look as good as they taste, but this book delves far deeper into her story and food with delicious creations like these and more which you'll return to time and time again.

*An Irresistible History of Southern Food* Rick McDaniel, 2011-05-14. Fried chicken, rice, and gravy, sweet potatoes, collard greens, and spoon bread, all good old fashioned down home southern foods, right? Wrong. The fried chicken and collard greens are African, the rice is from Madagascar, the sweet potatoes came to Virginia from the Peruvian Andes via Spain, and the spoon bread is a marriage of Native American corn with the French soufflé technique thought up by skilled African American cooks. Food historian Rick McDaniel takes 150 of the South's best loved and most delicious recipes and tells how to make them and the history behind them. From fried chicken to gumbo to Robert E. Lee Cake, it's a history lesson that will make your mouth water. What southerners today consider traditional southern cooking was really one of the world's first international cuisines, a mélange of European, Native American, and African foods and influences brought together to form one of the world's most unique and recognizable cuisines.
