Herskowitz,James E. Duggan,2005 Legal Research Made Easy is designed to take the fear out of doing legal research no matter whom the researcher may be It answers how to do it when it is necessary where you should look what you should be looking for and why it is important With a sample research problem to serve as a guide and research tips to save time this book finally makes the legal research process clear for everyone **New Serial Titles** ,1993 A union list of serials commencing publication after Dec 31 1949 **Exploring Initiative and Referendum Law** Beth Williams,2013-10-18 Researching ballot measures can be one of the most daunting types of legal research Exploring Initiative and Referendum Law Selected State Research Guides offers legal researchers an easy to use guide that provides thorough overviews of I R initiative and referendum laws within twenty three states This unique resource provides state specific guidance about both forms of I R law those state laws permitting I R and those state laws enacted as a result of the I R process Any legal researcher beginning a project or needing to know just where to go for the right resources will get helpful general and specific information on practical research strategies and resources Up to now finding the literature to research the state specific history of a law passed by initiative or referendum has been extremely difficult This book fills this gap by providing top researchers with brief overviews of the individual state processes while providing important primary and secondary sources including Web sites The guide s chapters are separated alphabetically by state for fast and easy reference Annotated bibliographies of books articles and Web

sites are provided along with instructions about what documents one can expect to find on the Web and how to use free databases Because of this useful volume s unique focus the book may well become an essential resource for law librarians attorneys law faculty law students and Political Science scholars This book was published as a special issue of Legal Reference Services Quarterly

The Sex Offenses and their Treatments Victor T. Cheney,2004-10-01 This book is the only on that lists 115 crimes offenses deviances and 62 infamous criminals that can all be blamed on the sex urge and its underlying chemistry The book also enumerates and briefly explains more than a hundred different treatments that have been used to treat these problems The efficacy of these treatments has been found to vary greatly Some of them have even proven to be counterproductive and the best is seldom used This book is one of the very few available that dwell extensively with the powerful sex urge in its evil results crime disease aggression jealousy lost spirituality etc in as much detail Most that is written about sex deals with its good aspects love ecstasy children family etc but we need the information in this book to come to the reality of the power of these urges for evil
