What Are Similarities Between Federal Student Loan And Nsfas:

ETDP SETA Scarce & Critical Skills Guide 2010/11 , Widening Higher Education Participation Mahsood Shah, Anna Bennett, Erica Southgate, 2015-10-19 Governments have introduced policies to widen the participation of disadvantaged students in higher education Widening participation policies are also introduced to ensure that higher education contributes to social and economic outcomes This book includes important insights from 23 leading scholars across 11 countries on a wide range of topics that focus on government policies institutional structures and the social and economic impacts of widening participation While widening participation policies and outcomes in developed countries are more widely documented the policies achievements and challenges in other countries such as Brazil China Indonesia South Africa and Palestine are not so widely disseminated Therefore the untold stories of policies and outcomes of widening participation are a key part of this book The chapters are organised according to three overarching themes which include national and transnational studies of the history of widening participation and current policies inclusive learning and academic outcomes and socioeconomic structures concepts and theories Engages prominent academics earlier career researchers and research students Provides a wide range of topics related to widening participation Explores social and economic impact of widening student participation Presents untold stories of widening participation in developing countries experiencing growth in youth population *Practical Wisdom and Resilience Overcoming Downside Risk* Kazuyo Hanai, Rangarirai Gavin Muchetu, Laban Kithinji Kinyua, Yoichi Mine, 2025-05-24 This book classifies and assesses the real and perceived risks associated with both the Covid 19 pandemic and government responses to it in seven African countries DR Congo Kenya Ethiopia South Africa Tanzania Uganda and Zimbabwe based on large scale quantitative and qualitative surveys conducted in 2022 2024 It also elucidates the people s resilience in overcoming the risks within their political social and cultural context Although research on COVID 19 has been conducted in various fields particularly in the medical field the analytical perspective of this book is unique COVID 19 prevention policies are considered to have seriously increased other risks such as hunger other infectious diseases interruption of education and various types of human rights violations including increased conflict violence against civilians and political abuse Therefore this book argues that COVID 19 prevention policies as well as the pandemic itself should be regarded as the downside risk that triggers the deterioration of the other potential risks to vulnerable people Depicted here is the account of how trust in government community and family within the existing political social and cultural environment created pandemic politics as elections during the pandemic instrumentalized and politicized government prevention measures Economic distress threatened people s lives more than COVID 19 during lockdowns and severe behavioral restrictions and the spread of misinformation discouraged people from being vaccinated This book will be useful to policy makers and practitioners in international society who are preparing for the next pandemic based on the lessons learned from the COVID 19 pandemic Universities, Employability and Human Development Melanie

Walker, Samuel Fongwa, 2017-01-20 The book makes a significant contribution to critical higher education studies specifically to graduate employability research and to capabilities and education research The book moves beyond the simplistic conception of alleged gaps in graduate skills and mismatches between employers and universities and instead provides an innovative multi dimensional and intersectional human capabilities conceptualisation of graduate employability The book challenges an individualised notion of employability instead locating employability issues in social and economic conditions and argues that employability choices cannot be divorced from inequality Qualitative and quantitative data from multiple case study universities in South Africa are used to explore the perceptions and experiences of diverse students lecturers support officers and employers regarding what each university is doing or should be doing to enhance graduate economic opportunities and contribute to inclusive development The book will be highly relevant to students scholars and researchers in the fields of education and sociology particularly those with an interest in graduate employability **Umrabulo** ,2001

Vedmas,2005 Title IV of the Higher Education Act HEA authorises the major federal student aid programs including the student loan programs which are the largest source of aid for students In FY2000 the Federal Family Education Loan FFEL programs and the Federal Direct Student Loan DL program supported an estimated 33 1 billion in new loan volume Several types of loans are available Federal need based subsidised Stafford loans under which the government pays the interest while the borrower is in school a grace period of deferment unsubsidised Stafford loans Federal PLUS loans for parents of undergraduate students and Federal Consolidation loans Overall student loan volume has been increased in recent years from 24 billion in FY1994 to 33 billion in FY2000 The number of loans being made has increased over the same period going from 6 483 000 to 8 618 000 The average amount that individual students are borrowing in any given year has not increased as dramatically This new book examines important issues related to this cornerstone of American higher

education **Federal Student Loan Programs** Federal Student Aid (ED),2014 For those needing a loan to attend college think federal aid first Federal student loans usually offer borrowers lower interest rates and have more flexible repayment terms and options than private student loans This brief report answers the following questions about federal aid 1 What is a federal student loan 2 What is a private student loan 3 Why are federal student loans a better option for paying for college 4 How much should I borrow and 4 A chart presenting the types of federal student loans that are available **Federal Student Loans Made Under the Federal Family Education Loan Program and the William D. Ford Federal Direct Loan Program** David P. Smole,2013-03-13 The William D Ford Federal Direct Loan DL program authorized under Title IV Part D of the Higher Education Act of 1965 HEA as amended is the primary federal student loan program administered by the U S Department of Education ED The program makes available loans to undergraduate and graduate students and the parents of dependent undergraduate students to help them finance their postsecondary education expenses The following types of loans are currently offered through the DL program Subsidized Stafford Loans for undergraduate students Unsubsidized Stafford Loans for undergraduate and graduate students PLUS Loans for graduate students and the parents of dependent undergraduate students and Consolidation Loans through which borrowers may combine multiple loans into a single loan For FY2013 ED estimates that 22.5 million loans not including Consolidation Loans totaling 120.8 billion will be made to students and their parents through the DL program Until July 1, 2010 Subsidized Stafford Loans Unsubsidized Stafford Loans PLUS Loans and Consolidation Loans were also available through the Federal Family Education Loan FFEL program authorized under Title IV Part B of the HEA The SAFRA Act part of the Health Care and Education Reconciliation Act of 2010 HCERA P L 111 152 terminated the authority to make new loans under the FFEL program after June 30, 2010 While new loans may no longer be made through the FFEL program approximately 289 billion in FFEL program loans are outstanding and are due to be repaid over the coming years FFEL and DL program loans are low interest loans with maximum interest rates for each type of loan established by statute Subsidized Stafford Loans are unique in that they are only available to undergraduate students demonstrating financial need With certain exceptions the federal government pays the interest that accrues on Subsidized Stafford Loans while the borrower is enrolled in school on at least a half time basis during a six month grace period thereafter and during periods of authorized deferment Unsubsidized Stafford Loans and PLUS Loans are available to borrowers irrespective of their financial need and borrowers are responsible for paying all the interest that accrues on these loans FFEL and DL program loans have terms and conditions that may be more favorable to borrowers than private and other non federal loans These beneficial terms and conditions include interest rates that are often lower than rates that might be obtained from other lenders opportunities for repayment relief through deferment and forbearance loan consolidation and several loan forgiveness programs In the recent years numerous changes were made to the terms and conditions of DL program loans The Budget Control Act of 2011 BCA P L 112 25 eliminated the availability of

Subsidized Stafford Loans to graduate and professional students for periods of instruction beginning on or after July 1 2012 and terminated the availability of certain repayment incentives for loans made on or after July 1 2012 The Consolidated Appropriations Act FY2012 P L 112 74 eliminated interest subsidies during the six month post enrollment grace period on Subsidized Stafford Loans disbursed between July 1 2012 and June 30 2014 The Moving Ahead for Progress in the 21st Century Act MAP 21 P L 112 141 lowered the interest rate from 6.8% to 3.4% on Subsidized Stafford Loans made between July 1 2012 and June 30 2013 Also for individuals who are new borrowers on or after July 1 2013 MAP 21 restricted both the period during which individuals may borrow Subsidized Stafford Loans and the period during which the in school interest subsidy may be provided to 150% of the published length of their educational program

Choice Architecture Versus Price

Xiaoling Ang, 2016 We show that changes in choice architecture have a large effect on student loan decisions while we do not find significant effects of sizeable interest rate changes We evaluate the effect of two policies implemented in 2010 by the U S Department of Education 1 the requirement that all applicants for private student loans fill out a Self Certification Form which includes various disclosures about federal aid and 2 the prohibition of presenting a private student loan as a default option on a financial aid offer without disclosure of the relationship between the school and the creditor Using difference and difference and matching techniques on a proprietary dataset of private student loan originations from the Consumer Financial Protection Bureau and survey and administrative data from the Department of Education we show that these changes decreased private student loan originations by 33% at public four year institutions 18% at private not for profit four year institutions and 55% at four year for profit institutions In contrast we find no consumer response when analyzing 60 basis point decrease in the price of federal Parental PLUS loans at some schools using same datasets and similar estimation techniques
