

TYPES OF STUDENT LOANS

These loans are interest free (upto school) and students get a limit within which they can borrow the amount. Also known as Subsidized Federal Loan.

Need Based Loans

Unsubsidized Federal Loans

The interest is responsibility of borrower from the start of the loan. However, sometimes, one can postpone interest payments.

Students attending college in half or full time undergraduate situations qualify for such loans. Loan on the basis of attendance cost and their credit history.

Federal Plus Loan

Consolidation Loans

This is not actually a loan, but a facility. it allows graduates to pool several loans into a single loan. It means just one monthly payment to be made.

Such type is loan is for biological, adoptive, and stepparents to support an undergraduate dependent on them.

Parent PLUS loans

Federal Perkins Loans

These were the best loans for undergraduate, graduate, and professional students. Not available now.

Students or parents with decent credit history can avail this kind of loan. Interest rates are comparatively higher on these loans.

Private Loans

Refinanced Loans

Similar to the consolidation loans, private lenders also offer an option to combine different types of student loans into one loan.

ETDP SETA Scarce & Critical Skills Guide 2010/11 , **Financing Higher Education Worldwide** D. Bruce Johnstone, Pamela N. Marcucci, 2010-06-07 No issue in higher education is as salient or as controversial as finance As demand for higher education around the world grows so do the costs associated with it especially as governments shoulder less of the burden Tuition fees rise and student loan debt grows Who pays for these surging costs Who should pay D Bruce Johnstone and Pamela N Marcucci examine the universal phenomenon of cost sharing in higher education where financial responsibility shifts from governments and taxpayers to students and families They find that growing costs for education far outpace public revenue streams that once supported it Even with financial aid and scholarships defraying some of these costs students are responsible for a greater share of the cost of higher education Featuring comprehensive economic and policy data the authors' international comparative approach shows how economically diverse countries all face similar cost sharing challenges So who should pay for higher education While cost sharing is both politically and ideologically debated Johnstone and Marcucci contend that for almost all countries it is imperative for the financial health of colleges and universities bringing better efficiency equity and responsiveness *Financing Higher Education Worldwide* combines sophisticated economic explanations with sensitive political and cultural analyses of the financial pressures facing higher education
