Responsible person:

When you install your TV, insert a battery in at least 50 cm (perhaps the TV and other objects nearby, radiators, etc.) from the program controller. (Failing to maintain proper ventilation may result in a fire or a problem with the product operation.) See also the instruction for the correct use of the device.

When you install your TV with the stand as a wall mount, we strongly recommend you use parts provided by Samsung Electronics. Using parts provided by another manufacturer may cause difficulties with the product or result in an increase in the product failure.
