 Ferguson,Jamal Rahman,Mary Petrina Boyd,2021-05-03 We call attention to the harsh reality that we are living in troubled  
 times We are especially conscious of climate change and COVID 19 We underline that these challenges impact all people In  
 light of this reality we use ten primary questions that all human beings ask consciously or unconsciously and then amplify  
 each of the ten primary questions with nine additional sub questions We then draw upon one of the great teachers of spiritual  
 wisdom Buddha Moses Jesus Muhammad etc with a brief quote and then write a short wisdom response to the question By  
 wisdom we mean a body of accumulated reflection about the character and meaning of life Spiritual wisdom suggests an  
 outlook or attitude that enables us to cope a deeper way of knowing and learning the art of living in rhythm with the soul We
