Revisited Stefano Serafini, 2025-01-30 This book offers the first extensive investigation of Italian crime fiction in the period between 1861 the year of Italy's unification and 1941 when the famous Mondadori series I libri gialli which had published crime novels since 1929 was suppressed by the fascist regime By exploring the formal and thematic metamorphoses of Italian crime narratives and probing the different socio political roles that they played in both the liberal and fascist periods it provides a radical re conceptualization in both historical and theoretical terms of a form of fiction that has been largely marginalized for both aesthetic and ideological reasons uncovering how it was implicated in the construction of the modern state and in the articulation and shaping of the process of making Italians *The Western Reinvention of Chinese*

Literature, 1910-2010, 2022-07-04 During much of China's tumultuous 20th century May 4th and Maoist iconoclasts regarded their classical literary heritage as a burden to be dislodged in the quest for modernization This volume demonstrates how the traditions that had deeply impressed earlier generations of Western writers like Goethe and Voltaire did not lose their lustre to the contrary a fascination with these past riches sprouted with renewed vigour among Euro American poets novelists and other cultural figures after the fall of imperial China in 1911 From Petrograd to Paris and from S o Paolo to San Francisco China's premodern poetry theatre essays and fiction inspired numerous prominent writers and intellectuals The contributors survey the fruits of this engagement in multiple Western languages and nations **Italian**
