Miller, 2014-08-31 Ivan Everley 13th Baron Rothvale would admit he s the last person on earth who should have custody over a priceless collection of art British law affords him the title of Lord but underneath all the trappings he s just a regular guy despite being a world champion in archery and certain proclivities of a private nature But Ivan s public celebrity is merely a sham a carefully guarded secret borne out of the pain of betrayal Even his cousin Ethan Blackstone doesn t know the truth behind the man he considers a brother Lord Rothvale has a plethora of problems piled up to his aristocratic eyeballs but that doesn t stop him from complicating his world further when a beautiful art conservationist shows up to appraise his inherited collection of paintings Once Ivan gets a taste of Gabrielle Hargreave mistaken identity or not he can t think of anything but how good the green eyed beauty felt in his arms The chase is on and Ivan s dominant side isn t taking no for an answer but yet Gabrielle might just teach our discontented lord a thing or two about life and about himself and help them both discover the undeniable truth in what it means to find something genuinely priceless **Rare and Precious Things** Raine
