Rainforest Masks Worn By Tribes From Rainforest:

Projects with Rainforests Jillian Powell, 2014-07-15 This book will take readers deep into the rainforest as they learn what grows and lives there and its importance to the Earth Each chapter introduces a new topic through a fun craft activity and readers will get hands on as they learn and create With tribal masks and Save the Rainforest t shirts kids will have practical keepsakes to go along with all their newly acquired knowledge **The Rainforest Survivors** Paul

Raffaele, 2018-11-13 Even in our hyper connected world there are tribes scattered across the far reaches of the globe who still live much the same way that their ancestors did thousands of years ago Having had minimal contact with the outside world these peoples currently live in harmony and unison with the environment around them But as technology grows and the human population expands the way of life of these tribes becomes increasingly threatened with every passing day In *The Rainforest Survivors* veteran overseas reporter Paul Raffaele recounts his time spent with three unique jungle tribes the peace loving Congo Pygmies New Guinea s tree dwelling Korowai cannibals and the Amazon s ferocious Korubo Over months spent living in these three communities Raffaele experienced firsthand wisdom and mysterious rites forged over many millennia Resonating with high adventure and remarkable characters *The Rainforest Survivors* details the daily lives of these relatively unknown peoples and provides key political and environmental context showing how outside forces are closing in on them and threatening to change forever their ways of life Enthralling and unforgettable this compelling book is the important portrait of indigenous peoples living the way they have for centuries **Rainforests** Nancy F.

Castaldo, 2003-06-01 North America boasts a surprising number of rainforests including El Yunque National Forest in Puerto Rico Olympic National Forest in Washington State Chugach and Tongass National Forests in Alaska and the forests in Hawaii which are home to an enormous variety of plants and animals *Rainforests An Activity Guide* takes kids through the common layers of the rainforest from the forest floor to above the enclosed canopy Their journey continues through the different types of rainforests as they are introduced to plants animals and people around the world including those from the temperate rainforests of North America to the tropical rainforests of Southeast Asia Africa and South America Rainforest inspired activities include making a West African yam festival gourd rattle building a model of an Alaskan totem pole and creating a Japanese Wayang kulit or shadow puppet Kids are encouraged to make a difference and become active supporters of the rainforests no matter where they live **Rain Forest** Laurie Agopian, Illene Miller, 1995 In this study of rain forest students

will learn about the interdependence of the plant and animal life that is so unique to this environment *Portraits of the Rainforest* Adrian Forsyth, Michael Fogden, 1990 Portrays the flora and fauna of the tropical rain forest celebrating the beauty and complexity of the oldest ecosystem **Ritual Mask Making** Theresa Walton, AI, 2025-03-29 *Ritual Mask Making* explores the captivating world of indigenous masks revealing them not merely as artifacts but as vital components of spiritual rituals cultural preservation and governance These masks passed down through generations serve as conduits to the spirit

world enabling connections with deities and ancestors in various indigenous cultures Intriguingly masks also function as instruments of social and political order reflecting authority and resolving conflicts thereby challenging Western centric views on art and power The book traces the historical evolution of mask making traditions examining the impact of colonialism and globalization Through ethnographic studies archaeological findings and visual analysis it presents a holistic view of these dynamic expressions of cultural identity By delving into specific case studies across different cultures the book highlights the materials techniques and symbolism inherent in these masks emphasizing their contemporary relevance in promoting cultural revitalization and addressing ethical considerations surrounding their study and display **Survival**

,1990 **Introduction to English as a Second Language Coursebook with Audio CD** Peter Lucantoni,2014-07-17 This coursebook is recommended by Cambridge International Examinations to support the Cambridge IGCSE English as a Second Language syllabus Back cover Shamanic Plant Medicine - Ayahuasca Ross Heaven,2014-01-31 The Shamanic Plant Medicine series acts as an introduction to specific teacher plants used by shamans in a variety of cultures to facilitate spirit communion healing divination and personal discovery and which are increasingly known used and respected in Western society by modern shamans as a means of connecting to spirit Ayahuasca is the shamanic medicine of the Amazonian rainforest and has been used by shamans for millennia to induce visionary states wherein they astrally travel to other locations see the future or carry out healings for others It is increasingly used in the West and is perhaps the best known of shamanic plant teachers The Case of the Feathered Mask Holly Webb,2016-04-05 In this exciting mystery set in Victorian London a young girl and her dog must search for a stolen artifact with just a feather to guide them In this fourth mystery about twelve year old Maisie the young detective must solve a crime for her friend Professor Tobin The professor travelled all over the world collecting strange and wonderful objects and the British Museum is opening a special room to house his collection But before the professor s donation a thief steals a valuable Amazonian tribal mask With just a single feather left behind Maisie doesn t have much to go on but the stakes in her newest case are higher than ever Can t get enough of Maisie s mysteries Look for The Case of the Stolen Sixpence The Case of the Vanishing Emerald and The Case of the Phantom Cat

Cursed Objects Explained Delphine Carver,AI,2025-03-31 Cursed Objects Explained explores the captivating realm of artifacts believed to carry negative energy It delves into the history legends and potential explanations behind these objects sinister reputations The book examines how historical events psychological suggestibility like the nocebo effect and cultural narratives intertwine to instill objects with a reputation for misfortune Did you know that the belief in animism where spirits inhabit objects has significantly shaped our perception of cursed items throughout history The book begins by defining cursed objects and exploring the psychology of belief It then presents case studies of objects like ill fated paintings and jewelry associated with bad luck dissecting their histories and potential rational explanations A key chapter examines cultural rituals that contribute to curse perceptions Ultimately it discusses how our belief in cursed objects reflects our

anxieties and influences our understanding of causality This approach offers a multidisciplinary lens combining historical analysis psychological insights and cultural perspectives to provide a comprehensive understanding of these phenomena
