

Safety precautions

- When using your headset while driving, follow local regulations in the region you are in.
- Never disassemble or modify your headset for any reason. Doing this may cause the headset to malfunction or become uncomfortable. Using the headset for an authorized service center is required.
- Keep your device and all accessories out of the reach of small children or animals. Small parts may cause choking or serious injury if swallowed.
- Avoid exposing your device to very cold or very hot temperatures (below 32°F or above 95°F). Extreme temperatures can cause the deformation of the device and reduce the charging capacity and life of your device.
- Do not allow your device to get wet. Liquid can cause serious damage. Do not transfer your device with wet hands. Water damage to your device can void your manufacturer's warranty.
- Avoid using your device's light closer to the eyes of children or animals.
- Do not use the device during a thunderstorm. Thunderstorms can cause the device to malfunction and increase the risk of electric shock.
- Excessive exposure to loud sounds can cause hearing damage. Exposure to loud sounds while driving may distract your attention and cause an accident. Use only the maximum volume setting necessary to hear your conversation.

Instructional icons

Before you start, familiarize yourself with the icons you will see in this manual:

- Note**—notes, usage tips, or additional information.

Getting started

Your headset overview

Make sure you have the following items: headset, travel adapters, ear hooks, ear cushions, and user manual. The supplied items may vary.

Button functions

Button	Function
	Power switch <ul style="list-style-type: none"> Slide to turn the headset on or off.
	Talk <ul style="list-style-type: none"> Press and hold for 3 seconds to enter Pairing mode. Press to answer or end a call. Press and hold to reject an incoming call. Press and hold to place a call on hold. Press and hold to switch between calls.
	Volume <ul style="list-style-type: none"> Press to adjust the volume. Press and hold to turn the microphone on or off during a call.

Turning the headset on or off

To turn the headset on

Slide the Power switch on. The blue indicator light flashes 4 times.

Turning the headset on for the first time, it will automatically enter pairing mode for approx. 3 minutes.

To turn the headset off

Slide the Power switch off. The indicator light flashes blue and red then turns off.

Changing the headset

This headset has a rechargeable internal battery which is non-removable. Make sure the headset is fully charged before using it for the first time.

Use only Samsung approved chargers. Unauthorised or Non-Samsung chargers could cause damage to the headset or in extreme circumstances an explosion, it could also invalidate any warranty you the product.

- Connect the travel adapter to the charging outlet on the headset.
- Plug the travel adapter into the wall outlet. During charging, the indicator light will turn red. If charging does not begin, unplug the travel adapter and plug it in again.
- When the headset is fully charged, the red indicator light changes to blue. Unplug the travel adapter from the wall outlet and the headset.

- Repetitive charging and discharging of the headset over time will cause the battery performance to diminish. This is normal for all rechargeable batteries.
- Never make or receive calls while charging, always disconnect your headset from the charger and answer the call.

Charging the headset battery

To check the battery level, press and hold the volume down button and the Talk button at the same time. Depending on the battery level, the indicator light flashes 2 times in one of the following colors:

Battery level	Indicator light color
Above 80%	Blue
60–80%	White
Below 20%	Red

Using the headset battery status

The headset indicator light flashes red and you can hear beeps, if the headset powers off during a call, the call will be automatically transferred to the phone.

Wearing the headset

Depending on which ear you are going to wear the headset, simply adjust the ear hook accordingly.

You can also use the optional ear cushions instead of the ear hook. Remove the cushion cover and attach the ear cushion. Then, rotate the ear cushion left or right slightly depending on which ear you are going to wear the headset.

Turning the indicator light on or off

The headset status light is there to show you the current status of your headset, but if it bothers you at night, you can turn it off.

- You cannot switch the indicator off while in pairing mode.
- The indicator light will always work when the headset is turned on or off, when a call is received, in Pairing mode and when the battery is low.

Using your headset

- Activated functions and features may differ depending on the phone type.
- Some devices, especially those that are not tested or approved by the Bluetooth Special Interest Group (SIG), may be incompatible with your headset.

To ensure you get the best performance from your headset

- Keep the distance between your headset and device as small as possible and avoid placing your body in either alignment in the signal path.
- If you usually use your mobile phone with your right hand, wear the headset on your right ear.
- Covering your headset or device could affect its performance so keep constant to minimum.

Pairing and connecting the headset

Pairing means a unique and encrypted wireless connection between two Bluetooth devices when they agree to communicate with each other.

In Pairing mode, two devices should be placed close enough.

Pairing and connecting the headset with a phone

- Enter Pairing mode. (The blue indicator light stays lit and stays for 3 minutes.)
 - Press and hold the Talk button for 3 seconds.
- Activate the Bluetooth feature on your phone and search for the headset (see your phone's user manual).
- Select the headset (HM1900) from the list of devices found by your phone.
 - If required, enter the Bluetooth PIN (0000) to pair and connect the headset to your phone.
 - Once pairing is completed, the headset will attempt to reconnect each time you turn it on.

Pairing with the Active pairing feature

With the Active pairing feature, your headset automatically looks for a Bluetooth device within range and tries to make a connection with it.

Make sure the phone's Bluetooth visibility option is set on.

- In Pairing mode, press and hold the Talk button on the headset. The indicator light color changes to violet (see blue). The headset will attempt active pairing for up to 30 seconds.

- The Bluetooth phone you want to connect with must not be paired with other devices. If the phone is already connected to another device, end the connection and restart the Active pairing feature.
- This feature may not be supported on some devices.

Connecting with the Bluetooth phone

With the Multi-point feature enabled, your headset can be connected to 2 Bluetooth phones at the same time.

- To turn Multi-point feature on**
 - In Pairing mode, press and hold the Volume up button. The blue indicator light flashes twice.
- To turn Multi-point feature off**
 - In Pairing mode, press and hold the Volume down button. The red indicator light flashes twice.

- After connecting with the first Bluetooth phone, enter Pairing mode again.
- Activate the Bluetooth feature on the second Bluetooth phone and search for the headset (see your phone's user manual).
- Select the headset (HM1900) from the list of devices found by the second Bluetooth phone.

- If required, enter the Bluetooth PIN (0000) to connect the headset to the second Bluetooth phone.
- Reconnect to the headset from the first Bluetooth phone.
- Some phones may not be able to connect as a second Bluetooth phone.

Connecting the headset with a music device

You can also pair and connect your headset with a music device such as an MP3 player. The process of connecting to a music device is the same as for connecting with a phone. When connected to both devices (phone and music device) you can make or receive a call on the phone while listening to music from the music device.

- You cannot control playback using your headset.
