Serious Pig John Thorne, Matt Lewis Thorne, 1996. The Thornes grew up on Yankee cooking and they were moved to find that culinary tradition alive in saltwater Maine. In here the first section of the book they renew their acquaintance with familiar dishes: lobster stew, baked beans, blueberry bread and butter pudding in both Down East vernacular eating places and home kitchens. The second part of the book there traces Thorne's love affair with the cooking. New Orleans Creole and bayou Cajun of southern Louisiana. Although his visits there were all too brief, la cuisine de Louisiane has continued to enchant him as has the experience of being a stranger in a strange land. Finally in the third section Everywhere Thorne takes the measure of an American cuisine that more and more is learning to survive without any real roots at all. He comes to terms with white bread and American cheese explicates the erotics of the hamburger and the chocolate chip cookie follows the evolution of the barbecue out of the decline of the pig and examines the role of cornbread in the formation of the American character. Cooks will find fresh inspiration in the book's many detailed recipes from home fried potatoes, fresh pea pie and Moosehead gingerbread to an amazing concatenation of rice and bean dishes that reach from the American South through the Caribbean and all the way back to Africa.
