*Texas School Journal* ,1893      *The Texas Outlook* ,1916      *Leadership in America's Best Urban Schools* Joseph F. Johnson, Jr., Cynthia L. Uline, Lynne G. Perez, 2017-02-03 *Leadership in America's Best Urban Schools* describes and demystifies the qualities that successful leaders rely on to make a difference at all levels of urban school leadership. Grounded in research, this volume reveals the multiple challenges that real urban elementary middle and high schools face as well as the catalysts for improvement. This insightful resource explores the critical leadership characteristics found in high performing urban schools and gives leaders the tools to move their schools to higher levels of achievement for all students but especially for those who are low income English language learners and from various racial and ethnic backgrounds. In shining a light on the essential qualities for exceptional leadership at all levels of urban schools, this book is a valuable guide for all educators and administrators to nurture, influence, support, and sustain excellence and equity at their schools.

Grounded in effective tools and routines, her approach focuses on the teacher-supported reading of worthy texts. Teachers will find practical resources, templates, and examples of lessons to foster student engagement, accelerate reading skills, and support ongoing literacy development. Grades 2-6 classroom teachers, reading specialists, and literacy coaches will shape literacy instruction around flexible principles versus prescribed programs of practice. Analyze and select texts that both foster literacy skills and encourage personal reflection. Develop literacy lesson structures that support students before, during, and after reading. Implement simple, reproducible exercises as grounding routines for reading engagement. Create safe learning environments where students can engage and explore their reading. Contents: Introduction
