

# The Rainbow Fish Sequencing Cards

The Rainbow Fish was the most beautiful fish in the entire ocean.

All the other fish wanted Rainbow Fish to play with them.

One day, a little blue fish asked Rainbow Fish for one of his shiny scales.

Rainbow Fish was angry. He told the fish, "Get away from me!"

The blue fish told the other fish what happened. They would not talk to Rainbow Fish anymore.

Developing Children's Speech, Language and Communication Through Stories and Drama Jodi Lea-Trowman, 2017-07-20

Using drama activities based on a range of classic and modern stories this inspiring resource equips SENCOs primary school teachers and speech and language therapists alike with simple practical and effective tools to improve children's speech language and communication. Key features include a huge range of activities so that the resource can be used in focused support for those with SGBPN or in mixed ability classrooms; topical links to the English programmes of study so that activities support core curriculum learning; distinct sections for Key Stage 1 and Key Stage 2 make the book relevant from Reception to Year 6. Unlike alternative resources this book uses drama techniques to address speech language and communication needs and can be used for both therapy and mainstream primary education.

**Phonics Instructional Manual Catch-up** Phonic Books, 2024-10-29 This teacher guide is an essential resource for using the Phonic Books Catch up range for intervention sessions with older readers. This guide designed for teachers provides an overview of phonics including explanations of core phonic concepts, terms and methodologies; an overview of the Phonic Books programme; assessment and guidance for pronunciation and teaching of high frequency words. There are also structured lesson plans for varying amounts of time. These plans are full of engaging and effective activities which are easy to implement. This phonics catch up teacher guide features a time saving guide for teachers to help with lesson planning and preparation. Teaching material aimed at children aged 9-12. Jargon busting explanations and step by step easily implemented lessons especially for anyone new to teaching phonics. Activities included such as word building and word chains that will engage pupils and implement previously taught skills. This guide conveniently breaks down each lesson into five main sections: Revision, Preparation, Application, Consolidation and Tracking Progress. This enables each lesson to meet the phonics requirements as well as more general literacy requirements and ensures pupils are concurrently learning how to read for meaning from the start. What is phonics? Phonics is a way of teaching children to read by understanding the sounds that individual letters make and blending them to make a word. Children can learn to read using this skill to decode new words. Phonic Books specializes in publishing decodable systematic books supporting this structured literacy instruction.

**Linking Picture Books to Standards** Brenda S. Copeland, Patricia A. Messner, 2003-10-30 This practical handbook provides more than 30 ready to use lesson plans that connect picture books to the national language arts standards set forth by NCTE and IRA. Designed for the primary grades all lessons have been classroom tested and come with dozens of reproducible patterns and worksheets. Each lesson plan includes bibliographic information, a description of the standards applied in the lesson, skills and objectives, grade level lists of props and materials, costume ideas, a step by step lesson description, comprehension questions and follow up activities. A wonderful tool for anyone who works with young students this guide will generate hours of creative exploration, learning and delight. Grades K-3.
