Testing The Submissive The Story Confessions Of A Masochist:

Testing the Submissive Al Daltrey, 2014-07-01 Abby stood nervously before her Master in the classic submissive pose fully nude legs apart wrists placed behind her back deeply ashamed of her evident arousal Worse she had to recount in exact detail the proceedings of her last whipping The whipping had been severe as was the case with most of the clients she was commissioned to serve These client appointments were scheduled a few weeks apart in order that the welts bruises and whatever other marks were left behind had ample time to heal After all each new client whether male female a couple or even a group surely deserved a fresh canvas upon which to begin Despite these harsh sessions her body reacted like that of a wanton whore as she retold of the sadistic punishments and extreme sexual use inflicted upon her body How far would her Master push her with these tests How far would Abigail go How many times could she stand before him blushing yet with that unmistakable tingle Their relationship was surely headed for a collision course Or was it This story contains STRONG BDSM While fully consensual it includes submission dominance sadism and masochism Please do NOT buy or read this if you are offended by graphic sexual descriptions including sexual violence All characters are aged 25 and it is recommended for an adult audience ONLY aged 21 This story is pure fiction and the author does not condone any violent behavior

Confessions of a Masochist Peter Cohen, 2018-08-27 This book is about the author's experience with masochism made into the fantasies of a fiction story It describes masochism and the dominatrices that serve it The Secret Diary of a Male Submissive Chris Atherfold, 2025-05-02 The Secret Diary of **Submissive** Sophie Morgan, 2013 a Male Submissive is a raw unfiltered journey into the hidden world of male submission told not through fantasy but through lived experience From awkward teenage crushes and painful playground encounters to Craigslist confessions brutal BDSM sessions and unexpected emotional intimacy this provocative memoir maps one man's real life descent into dominance and surrender Told with brutal honesty and piercing insight it's a story of kink longing and self discovery where every slap denial and whispered insult carves a deeper truth Spanning playground power games first loves Craigslist dommes public degradation and soul baring sessions with women who left more than bruises behind this isn t erotica it s confession From Emma s subtle cruelty to Jade s full scale ownership each chapter unveils the emotional complexity behind acts many would never admit to craving Whether you re part of the BDSM world curious about the psychology of submission or drawn to stories of transformation The Secret Diary of a Male Submissive offers something rare an honest unashamed portrait of a kink that goes far beyond the bedroom This is not about pain This is about being owned Obedient Servant Moaml Mohmmed, 2019-07-03 Obedient servant Masochism was the term initially used by the famed Austrian psychiatrist Richard Von Krafft Ebing author of the classic text Psychopathia Sexualis 1931 Krafft Ebing named masochism after the Austrian writer Leopold Von Sacher Masoch whose books often carried a masochistic theme Sacher Masoch also practiced what he preached He was attracted to dominant women in furs as depicted in his book Venus in Furs 1869 Apparently the writer

pressured his first wife Aurora Von R melin to live out the experiences of his book which she did but with reservations Following his death she wrote about her experiences in her memoir My Life Confession Mein Lebensbeichte 1906 Bored with marriage Sacher Masoch also had mistresses who engaged in his sexual fantasies For example he signed a contract with Baroness Fanny Pistor to make him her slave for 6 months provided she wear furs as often as possible particularly when she was in a vile mood According to the DSM V 2013 the paraphilic focus of sexual masochism involves the act of experiencing over a period of at least 6 months sexual arousal from being humiliated beaten bound or made to suffer in some way To be considered problematic the fantasies urges or behaviors must cause significant distress or impairment in social occupational or other important areas Some scholars differentiate between sexual masochism and moral masochism moral masochism has more to do with self punishment for bad behavior sexual masochism which this article is primarily concerned with has to do with sexual arousal leading to sexual satisfaction Kernberg 1991 Maleson 1984 Sexual masochistic behaviors vary depending on an individual s preference For example some masochists like to be tied up and flogged BDSM others prefer to be verbally humiliated only and some are aroused by more severe or dangerous forms of masochism such as asphyxiation to name a few Nevertheless there are many fallacies about masochism which the following list may help to dispel 1 Most masochists have their limits and safety is extremely important The research has indicated that relatively few people get hurt and when injury does occur it s usually the result of an accident or poor judgment Moser Scott 1983 2 According to Money men prefer acts that reduce their status as a man e g being forced to kiss a partner s feet or being cuckolded Baumeister Cross Matheson 2006 8 Prostitutes report a more disproportionate ratio In fact one of the biggest challenges for a self respecting masochist is to find a suitably cooperative sadist 9 According to the professional literature many sadists start out as masochists 10 The onset of masochism was found to be 19 3 years of age although fantasies have been reported in childhood DSM V 2013 11 Freud 1905 1953 believed that in every sadist there is a masochist and in every masochist there is a sadist He coined the term sadomasochism 12 Deleuze 1967 rejected the term sadomasochism He saw sadism and masochism as distinct 13 Both sadist and masochist exert control in the sadomasochistic dynamic The sadist takes overt control and the masochist prefers it that way 14 Both sadist and masochist share the delight in their sexual process and differ from other sadis Confessions of a Bad Submissive Summer Sterling, 2015-03-20 You ll laugh You ll shake your head in disbelief You ll wonder how in the world Summer Sterling got the idea she could ever submit to a man full time Confessions of a Bad Submissive is the true account of Summer's ten year struggle to earn the right to call herself a fully surrendered woman At times tragic at times hilariously funny this tell all memoir is a refreshingly honest account of the challenges of service and surrender to a man year after year seven days a week well every day she can pull it off that is Unlike other accounts you may have read of women committed to lifestyle submission Ms Sterling has no problem admitting to often being clueless frustrated na ve inconsistent stubborn impetuous overly dramatic and any combination of the above Join her and her long suffering Master on their bumpy
