

Nursing Jurisprudence and Ethics for Texas Nurses (2022/2023) Already Passed

According to BON Position Statement 15.24 Engaging in Reinsertion of Permanently Placed Feeding Tubes, it would be within the scope of practice for a nurse to replace a gastrostomy tube provided that

- A. the tube has been in place for 8-12 weeks, the nurse has a physician's order to replace the tube, and the nurse has completed specific competency training to safely replace the tube.
- B. the tube has been in place for 8-12 weeks, the facility policy allows replacement of a tube with a specific physician's order, and the nurse has not completed the required skills check-off.
- C. the tube has been in place for 4-6 weeks and the nurse observed a supervisor completed the procedure.
- D. the tube has been in place 4-6 weeks and the nurse as been determined to be competent in reinserting permanently placed tubes that have an established fistulous tract.

A. the tube has been in place for 8-12 weeks, the nurse has a physicians to replace the tube, and the nurse has completed specific competency training to safely replace the tube.

The BON differs from nursing and healthcare specialty associations since the BON

- A. lobbies for legislation favorable to the practice of nursing.
- B. sets criteria for evaluating nursing career ladders.

Informed Consent Charlotte Kenton, 1982 The Landscape of Rural Service Learning, and What It Teaches Us All Randy Stoecker, Nicholas Holton, Charles Ganzert, 2016-11-01 Up until now the majority of literature about service learning has focused on urban areas while comparatively little attention has been paid to activities in rural communities The Landscape of Rural Service Learning and What It Teaches Us All is designed to provide a comprehensive look at rural service

learning The practices that have developed in rural areas partly because of the lack of nonprofits and other services found in urban settings produce lessons and models that can help us all rethink the dominant forms of service learning defined by urban contexts Where there are few formal organizations people end up working more directly with one another where there is a need for services in locations where they are unavailable service learning becomes more than just an academic exercise or assignment This volume includes theoretical frameworks that are informed by the rural concrete stories that show how rural service learning has developed and is now practiced practical strategies that apply across service learning contexts and points to ponder as we all consider our next steps along the path of meaningful service learning
