Sewall,Carl Kaysen,2000-08-28 American reluctance to join the International Criminal Court illuminates important trends in international security and a central dilemma facing U S Foreign policy in the 21st century The ICC will prosecute individuals who commit egregious international human rights violations such as genocide The Court is a logical culmination of the global trends toward expanding human rights and creating international institutions The U S which fostered these trends because they served American national interests initially championed the creation of an ICC The Court fundamentally represents the triumph of American values in the international arena Yet the United States now opposes the ICC for fear of constraints upon America s ability to use force to protect its national interests The principal national security and constitutional objections to the Court which the volume explores in detail inflate the potential risks inherent in joining the ICC More fundamentally they reflect a belief in American exceptionalism that is unsustainable in today s world Court opponents also underestimate the growing salience of international norms and institutions in addressing emerging threats to U S national interests The misguided assessments that buttress opposition to the ICC threaten to undermine American leadership and security in the 21st century more gravely than could any international institution *Encyclopedia of Human Rights* David P Forsythe,2009-08-27 Winner of the 2010 Dartmouth Medal this major five volume encyclopedia offers comprehensive coverage of all aspects of human rights theory practice law and history The set will provide situation profiles and full

The Trial of Hissène Habré Celeste Hicks, 2018-04-15 When Hiss ne Habr the deposed dictator of Chad was found guilty of crimes against humanity in 2016 it was described as a watershed for human rights justice in Africa and beyond For the first time an African war criminal had been convicted on African soil Having followed the trial from the very beginning and interviewed many of those involved journalist Celeste Hicks tells the remarkable story of how Habr was brought to justice His conviction followed a heroic 25 year campaign by activists and survivors of Habr's atrocities which succeeded despite international indifference opposition from Habr's allies and several failed attempts to bring him to trial in Europe and elsewhere In the face of such overwhelming odds the conviction of a once untouchable tyrant represents a major turning point with profound implications for African justice and the future of human rights activism globally

truly make crime pay *The Monopoly On Violence* Xun Lin, Dead Writers Club, Violent monopolies have terrorized the planet Hitler Mao Stalin and all of the globe's worst modern psychopaths have relied on the monopoly on violence to steal and murder They massacred millions Many tyrants were inspired by Karl Marx He remains celebrated today China drooled over Marx in the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth 2018 Yes China is humiliated by the same old German who influenced Hitler China is home to the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China's fatal attraction to the dogma of Marx and Hitler was enormous compared to the USA's That is why the books of Marx and Hitler were once considered too incendiary for the general public But *Mein Kampf* was a bestseller as recently as 2017 Its acclaim grows worldwide It has always been one of Amazon's better selling book titles Hitler and Marx are always trending on the worldwide web Ideas from the Deutschland duo are repeated often on social media and by the mainstream media MSM Hitler's dogma is popular with elected officials Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly support the same ideas even if they are too dishonest to admit that they are socialists Every election exposes Americans struggling to bring Germany's past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24-39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions Germany's two top white male racist political philosophers stay in vogue even though their policies remain a mystery For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most readers 1 Hitler and Marx were popular in the USA Two famous American socialists the cousins Edward Bellamy and Francis Bellamy were heavily influenced by Marx The American socialists returned the favor Francis Bellamy created the Pledge of Allegiance to the Flag that produced Nazi salutes and Nazi behavior The Bellamy cousins were American national socialists 2 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 3 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 4 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout *Mein Kampf* as a self description by Hitler 5 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 6 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 7 The term Nazi isn't in *Mein Kampf* nor in *Triumph of the Will* 8 The term Fascist never appears in *Mein Kampf* as a self description by Hitler 9 The term swastika never appears in the original *Mein Kampf* 10 There is no evidence that Hitler ever used the word swastika 11 The symbol that Hitler did use was intended to represent S letter shapes for socialist 12 THE LATEST SWASTIKA

DISCOVERIES Hitler s symbol is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem The party s name had to fit in Hitler s socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise It resembled the advertising campaign of the American socialist Francis Bellamy The new discovery part includes the fact that the public doesn t know that Hitler s use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry s work 13 ASTONISHING LENIN S SWASTIKA REVELATION Vladimir Lenin s swastika is exposed herein The impact of Lenin s swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin It s influence upon Adolf Hitler is explained in this book 14 Hitler altered his own signature to reflect his S shapes for socialism logo branding 15 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 16 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 17 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler s Holocaust 18 After Hitler s death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler s Holocaust never ended Stalin replaced Hitler **Congressional Record** ,1881
