Paper Love Searching For The Girl My Grandfather Left Behind:

Paper Love Sarah Wildman, 2014 She was your grandfather's true love was the only answer given when Sarah Wildman presented her grandmother with a dozen photographs of a dark haired smiling young woman she had stumbled upon in her grandfather's old office True love It was stated as fact and with no further information Who was this woman And what was her relationship to her grandfather When pressed her grandfather's sister offered a bit more She was brilliant And so in love with your grandfather It was tantalizing but agonizingly open ended Growing up Wildman could reel off the details of her grandfather Karl's escape from Nazi occupied Vienna He was the irresistibly charismatic center of her family beloved by everyone he encountered His flight from Vienna six months after Hitler annexed Austria in 1938 was at the center of his myth Karl was a success at everything But no narrative is as simple as it initially appears Years after her grandfather's death Wildman found a cache of letters written to him in a file labelled Correspondence patients A G What she discovered inside weren't dry medical histories what was written instead opened a path into the destroyed world that was her family's prewar Vienna One woman's letters stood out these were mailed from the woman in the photos Her name was Valerie Scheftel Valy She was Karl's lover who had remained in Europe when he boarded a ship bound for the United States in Hamburg in September 1938 But why had she not left with Karl And more important what had happened to her With the help of the letters Valy had written to her grandfather Wildman started to piece together her story The letters revealed a woman desperate to escape and still clinging to the memory of a love that defined her years of freedom Obsessed with learning what happened to Valy Wildman began a quest that lasted years and spanned continents Along the way she discovered to her shock an entire world of other people searching for the same woman In the course of unearthing Valy's ultimate fate she was forced to re-examine the narrative of her grandfather's triumphant escape and how this history fit within her own life and her own generation and in the process she rescued a life seemingly lost to history Praise for Paper Love Ignore anyone who tells you there is nothing more to be said about the Holocaust and no new ways of telling the tragedy Sarah Wildman's gripping tender beautifully painful book gets to the heart of the matter through matters of the heart And along with the pathos and pain there is profound and honest thoughtfulness too Simon Schama author of The Story of the Jews In this captivating and elegantly written book Sarah Wildman uses the story of a single fascinating but utterly normal woman to illuminate the tragedy of the millions murdered during the Holocaust Though the themes are universal family memory myth what makes this remarkable book shine is the way Wildman brings to life a person lost to history making us care desperately both for her and for her vanished world Ayelet Waldman author of Love and Treasure In spellbinding prose Sarah Wildman traces her quest to understand what happened to her grandfather's mysterious lover whom he had to leave behind when he fled Vienna in 1938 Revealing deeper truths about history and the tricky nature of memory Paper Love is a breathtakingly powerful and beautiful new book David Grann author of The Lost City of Z Sarah Wildman is a member of the last generation of young Jews

who grew up in families presided over by Holocaust survivors and their stories *Eva and Eve* Julie Metz, 2022-05-03 To Julie Metz her mother Eve was the quintessential New Yorker It was difficult to imagine her living anywhere else except the Upper West Side of Manhattan In truth Eve had endured a harrowing childhood in Nazi occupied Vienna though she rarely spoke about it Yet after her passing Julie discovered a keepsake box filled with farewell notes from friends and relatives addressed to a ten year old girl named Eva her mother This was the first clue to the secret pain that Julie's mother had carried as an immigrant and it shed light on a family that had to rely on its own perseverance to escape the xenophobia that threatened their survival A beautiful blend of personal memoir and family history Metz shows how one woman's search for her mother's lost childhood offers valuable lessons about the sacrifices people make to save their families during some of the darkest times in history Translated Memories Bettina Hofmann, Ursula Reuter, 2020-02-26 This volume engages with memory of the Holocaust as expressed in literature film and other media It focuses on the cultural memory of the second and third generations of Holocaust survivors while also taking into view those who were children during the Nazi period Language loss language acquisition and the multiple needs of translation are recurrent themes for all of the authors discussed By bringing together authors and scholars often both from different generations countries and languages and focusing on transgenerational and translational issues this book presents multiple perspectives on the subject of Holocaust memory its impact and its ongoing worldwide communication **A Fifty-Year Silence** Miranda Richmond Mouillot, 2015-01-20 A young woman moves across an ocean to uncover the truth about her grandparents' mysterious estrangement and pieces together the extraordinary story of their wartime experiences In 1948 after surviving World War II by escaping Nazi occupied France for refugee camps in Switzerland Miranda's grandparents Anna and Armand bought an old stone house in a remote picturesque village in the South of France Five years later Anna packed her bags and walked out on Armand taking the typewriter and their children Aside from one brief encounter the two never saw or spoke to each other again never remarried and never revealed what had divided them forever A Fifty Year Silence is the deeply involving account of Miranda Richmond Mouillot's journey to find out what happened between her grandmother a physician and her grandfather an interpreter at the Nuremberg Trials who refused to utter his wife's name aloud after she left him To discover the roots of their embittered and entrenched silence Miranda abandons her plans for the future and moves to their stone house now a crumbling ruin immerses herself in letters archival materials and secondary sources and teases stories out of her reticent and declining grandparents As she reconstructs how Anna and Armand braved overwhelming odds and how the knowledge her grandfather acquired at Nuremberg destroyed their relationship Miranda wrestles with the legacy of trauma the burden of history and the complexities of memory She also finds herself learning how not only to survive but to thrive making a home in the village and falling in love With warmth humor and rich evocative details that bring her grandparents' outsize characters and their daily struggles vividly to life A Fifty Year Silence is a heartbreaking uplifting love story spanning

two continents and three generations

German Reich and Protectorate of Bohemia and Moravia September

1939-September 1941 Andrea Löw, 2020-07-20 Executive editor Andrea Löw English language edition prepared by Caroline Pearce Georg Felix Harsch and Dorothy Mas This volume chronicles the situation of the Jews in the German Reich and in the so called Protectorate of Bohemia and Moravia between the start of the Second World War and September 1941 The German authorities used the start of the war on 1 September 1939 as an opportunity to intensify the campaign against the supposed enemies within primarily the Jews Thousands of Jews were expelled to Poland and France in initial deportations Emigration or flight became virtually impossible In February 1941 a Jewish woman from Vienna feared for her parents We know now that there is no age limit everyone is being sent away little children the very old even sick people are taken from the hospital and transported somewhere into uncertainty into misery The volume documents the increasing isolation of the German and Czech Jews and the plans and ambitions of their persecutors in the period leading up to the systematic deportations Learn more about the PMJ on <https://pmjdocuments.org>

Textual Silence Jessica Lang, 2017-08-24 There are thousands of books that represent the Holocaust but can and should the act of reading these works convey the events of genocide to those who did not experience it In *Textual Silence* literary scholar Jessica Lang asserts that language itself is a barrier between the author and the reader in Holocaust texts and that this barrier is not a lack of substance but a defining characteristic of the genre Holocaust texts which encompass works as diverse as memoirs novels poems and diaries are traditionally characterized by silences the authors place throughout the text both deliberately and unconsciously While a reader may have the desire and will to comprehend the Holocaust the presence of textual silence is a force that removes the experience of genocide from the reader's analysis and imaginative recourse Lang defines silences as omissions that take many forms including the use of italics and quotation marks ellipses and blank pages in poetry and the presence of unreliable narrators in fiction While this limits the reader's ability to read in any conventional sense these silences are not flaws They are instead a critical presence that forces readers to acknowledge how words and meaning can diverge in the face of events as unimaginable as those of the Holocaust

Reflections of a Veteran Pessimist Walter Laqueur, 2017-09-29 Having been exposed early in life to the dangers of extreme nationalism journalist and historian Walter Laqueur chose to align his thinking with Victor Hugo's ideal of a European Brotherhood where the European nations would merge into a superior unit overcoming war and strife However as time wore on and consolidating national solidarities seemed ever more impossible Laqueur became more of a pessimist Today he still hopes for unity but doubts that it will ever come to pass This

volume represents the culmination of thought of a most noteworthy contemporary historian. *Reflections of a Veteran Pessimist* is divided into four sections: Europe in Decline, Jews in the Twentieth Century, Russia after the Soviet Union, and Observations. Having lived under the Nazi regime, Laqueur is keenly aware of the dangers posed by strident nationalism in Europe and rampant religious zealotry in the Middle East. Reflecting on the lingering financial crisis in Europe, Laqueur observes its serious consequences: populist movements and growing opposition to European integration. He notes that the influx of refugees resulting from Middle Eastern instability have sharpened the challenges facing Europe and weakened its unity. Laqueur also examines the growth of authoritarian nationalism in Russia and the de facto renewal of the Cold War with the West. Offering fascinating insights into a range of themes across the period, this book is valuable reading for all those interested in twentieth-century European, Russian, and Jewish history. *New Microhistorical Approaches to an Integrated History of the Holocaust*, Frédéric Bonnesoeur, Hannah Wilson, Christin Zühlke, 2023-11-06. In 1997, Saul Friedländer emphasized the need for an integrated history of the Holocaust. His suggestion to connect the policies of the perpetrators, the attitudes of surrounding society, and the world of the victims provides the inspiration for this volume. Following in these footsteps, this innovative study approaches Holocaust history through a combination of macro analysis with micro studies. Featuring a range of contemporary research from emerging scholars in the field, this peer-reviewed volume provides detailed engagement with a variety of historical sources such as documents, artifacts, photos, or text passages. The contributors investigate particular aspects of sound, materiality, space, and social perceptions to provide a deeper understanding of the Holocaust, which have often been overlooked or generalised in previous historical research. Yet, as we approach an era of no first-hand witnesses, this multidisciplinary micro-historical approach remains a fundamental aspect of Holocaust research and can provide a theoretical framework for future studies. **Nazi Persecution and Postwar Repercussions**, Suzanne Brown-Fleming, 2016-02-03. Published in association with the United States Holocaust Memorial Museum, The International Tracing Service, one of the largest Holocaust-related archival repositories in the world, holds millions of documents that enrich our understanding of the many forms of persecution during the Nazi era and its continued repercussions ever since. Drawing on a selection of recently available documents from the archive, this essential resource provides new insights into human decision-making in genocidal settings, the factors that drive it, and its far-reaching consequences. The sources that the author has collected and contextualized here reflect the full range of behaviors and roles that victims, their oppressors, beneficiaries, and postwar aid organizations played, beginning in 1933 through World War II, the Holocaust, and up to the present. **Survivor Café**, Elizabeth Rosner, 2017-09-01. A San Francisco Chronicle Best Book of the Year. An impressive, highly readable exploration of atrocity, trauma, and memory that examines the legacies of the Holocaust, Hiroshima, and other mass trauma events. A powerful book. Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer*. As firsthand survivors of many of the 20th century's most monumental events—the Holocaust, Hiroshima, the Killing Fields—begin to pass

away Survivor Cafe addresses urgent questions How do we carry those stories forward How do we collectively ensure that the horrors of the past are not forgotten Elizabeth Rosner organizes her book around three trips with her father to Buchenwald concentration camp in 1983 in 1995 and in 2015 each journey an experience in which personal history confronts both commemoration and memorialization She explores the echoes of similar legacies among descendants of African American slaves descendants of Cambodian survivors of the Killing Fields descendants of survivors of the bombing of Hiroshima and Nagasaki and the effects of 9 11 on the general population Examining current brain research Rosner depicts the efforts to understand the intergenerational inheritance of trauma as well as the intricacies of remembrance in the aftermath of atrocity Survivor Cafe becomes a lens for numerous constructs of memory from museums and commemorative sites to national reconciliation projects to small group cross cultural encounters Beyond preserving the firsthand testimonies of participants and witnesses individuals and societies must continually take responsibility for learning the painful lessons of the past in order to offer hope for the future Survivor Cafe offers a clear eyed sense of the enormity of our 21st century human inheritance not only among direct descendants of the Holocaust but also in the shape of our collective responsibility to learn from tragedy and to keep the ever changing conversations alive between the past and the present Each page is imbued with urgency with sincerity with heartache with heart Rosner s words alongside the words of other survivors of atrocity and their descendants across the globe can help us build a more humane world San Francisco Chronicle

Chasing Portraits Elizabeth Rynecki,2016-09-06 The memoir of one woman s

emotional quest to find the art of her Polish Jewish great grandfather lost during World War II Moshe Rynecki's body of work reached close to eight hundred paintings and sculptures before his life came to a tragic end It was his great granddaughter Elizabeth who sought to rediscover his legacy setting upon a journey to seek out what had been lost but never forgotten The everyday lives of the Polish Jewish community depicted in Moshe Rynecki's paintings simply blended into the background of Elizabeth Rynecki's life when she was growing up But the art transformed from familiar to extraordinary in her eyes after her grandfather Moshe's son George left behind journals detailing the loss her ancestors had endured during World War II including Moshe's art Knowing that her family had only found a small portion of Moshe's art and that many more pieces remained to be found Elizabeth set out to find them Before Moshe was deported to the ghetto he entrusted his work to friends who would keep it safe After he was killed in the Majdanek concentration camp the art was dispersed all over the world With the help of historians curators and admirers of Moshe's work Elizabeth began the incredible and difficult task of rebuilding his collection Spanning three decades of Elizabeth's life and three generations of her family this touching memoir is a compelling narrative of the richness of one man's art the devastation of war and one woman's unexpected path to healing

Third-Generation Holocaust Narratives Victoria Aarons, 2016-09-30 This collection of new essays examines third generation Holocaust narratives and the inter generational transmission of trauma and memory This collection demonstrates the ways in which memory of the Holocaust has been passed along inter generationally from survivors to the second generation the children of survivors to a contemporary generation of grandchildren of survivors those writers who have come of literary age at a time that will mark the end of direct survivor testimony This collection in drawing upon a variety of approaches and perspectives suggests the rich and fluid range of expression through which stories of the Holocaust are transmitted to and by the third generation who have taken on the task of bearing witness to the enormity of the Holocaust and the ways in which this pronounced event has shaped the lives of the descendants of those who experienced the trauma first hand The essays collected essays written by renowned scholars in Holocaust literature philosophy history and religion as well as by third generation writers show that Holocaust literary representation has continued to flourish well into the twenty first century gaining increased momentum as a third generation of writers has added to the growing corpus of Holocaust literature Here we find a literature that laments unrecoverable loss for a generation removed spatially and temporally from the extended trauma of the Holocaust The third generation writers in writing against a contemporary landscape of post apocalyptic apprehension and anxiety capture and penetrate the growing sense of loss and the fear of the failure of memory Their novels short stories and memoirs carry the Holocaust into the twenty first century and suggest the future of Holocaust writing for extended generations
