

Comparative Politics Country Analysis Paper

Country: Ireland

Parameters

- 1) **Country Analysis Paper.** You will choose a country (other than the U.S.) by September 19. You will then write a 5 to 6-page paper (excluding bibliography) where you will analyze the institutional setup of this country and compare it with the United States. You will need to cover all the following topics: regime type (democracy, au-tocracy, etc.), executive system (presidentialism, parliamentarism, etc.), legislature (bicameral vs. unicameral), electoral system, and party system. Besides comparing the chosen country with the U.S., you will give your critical perspective about the advantages and disadvantages of each set of institutions in both countries. You will conclude by providing your "ideal institutional setup" if you had to choose a set of institutions for a hypothetical new country. A more detailed description of this assignment along with a grading rubric will be provided on Canvas. The paper should be 5-6 pages long, double-spaced, and use 12-point Times New Roman font. The paper should be uploaded on Canvas by 11:59pm on Thursday, November 17.
- 2) **Data Analysis Paper.** You will use one of the datasets used in the practical lessons in class and compare the country you chose in the first paper above with the United States. Specifically, you will generate 3 graphs or figures comparing 3 aspects of your choice (e.g., electoral system, number of parties, parties' ideological positions, etc.) between the two countries using what we have learned in class in R. Datasets will be provided to you on Canvas and you will also have access to the R code used in our class lessons. You will need to turn in a short paper (2-3 pages) including the 3 figures and description of what they show (along with a paragraph introduction and a paragraph conclusion) and the R script that you used to generate the figures. I should be able to replicate the graphs you made with the R script you turn in. A more detailed description of this assignment along with a grading rubric will be provided on Canvas. For this paper, you can choose to work in groups of up to 4 students or individually. The paper should be uploaded on Canvas by 11:59pm on December 2.
