Way to materialism and consumerism and the resulting alienation also ha a bearing on the present day trend. Anonymity of our big cities is providing a favorable environment of drug addicts.

Family has also shown changes in its structure and function recently. As a result parental control is less today because of the working situation of both parents. Break up of joint family also means less control over the young people. Stressful home environment and broken home are often the contributory factors. If a child's basic needs like security, response, recognition and development are not adequately met at home, he develops feelings of inadequacy, frustration and emotional insecurity.
