Curriculum Design for Writing Instruction Kathy Tuchman Glass, 2004-12-09 Replete with strategies examples and reproducibles this guide is invaluable for any teacher who wants to boost student achievement in writing for any subject or grade level The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content *Brushing Up on Grammar* Joyce Armstrong Carroll, Edward E. Wilson, 2010-03-17 Teachers will use this book as a quick but intensive way to brush up on their grammar skills and a guide to hands on ways to teach grammar concepts Brushing Up on Grammar An Acts of

Teaching Approach is grounded in a belief that grammar should be taught within the context of writing and reading Of course teachers need to know grammar to be able to teach it something that has become harder as topics like sentence diagramming and parts of speech have disappeared from curriculums in recent years This book provides the solid grammar foundation so necessary for teachers in the field of English language arts Brushing Up on Grammar illuminates the five meanings of grammar identifies six key grammar characteristics and covers all of the categories and labels rules and history research and etymologies relative to the subject The examples and connections here are designed first and foremost as verbal clay With them educators can help students mold probe shape reshape and above all enjoy their acts of language
