The poster features a dark, moody cityscape at night. In the center, the silhouettes of a man and a woman are shown from the chest up, facing each other. Behind them, a large, ethereal bird with spread wings is visible against a backdrop of city lights and a cloudy sky. The Empire State Building is prominent on the right, and a clock tower is on the left. The title 'NEVER TRUST A STRANGER' is overlaid in large, bold, white letters at the bottom.

## **Never Trust A Stranger:**

**Strangers - part of everyone's life** Reeswali Naik,2021-12-30 In all our lives we have stranger become an integral part of life The bond we form with them is beyond anyone's imagination While nowadays close ones changes into an outsider and outsider changes into a close ones thus affecting our lives largely This is the challenge that life gives us to enable us to discover and evolve through the various shades of association that is in store for us and thus giving us ineffable memories or atrocious nightmares This book is a collection of stories poems and recollections from writers all round the globe to share such familiar experiences or thoughts that they had with the readers It can be simple beautiful messy or disastrous but at the end its a part of our journey and it certainly thought us something and has a impact on us **It's All Left up to Time**

Marilyn Myers,2012-12-07 I believe you can learn a lot from poetry Many times it is a mood feeling or emotion the author experiences Sometimes it helps to know you arent the only person who feels a certain way My selections are an explanation of the highs and lows of relationships Sometimes it makes me wonder if things will ever get on the right track but I try to take an optimistic view and thing that everything happens for a reason That reason is usually for the better I can imagine but I cant predetermine how life will turn out no human can know exactly what will happen We estimate but we cant know for certain We waste our time worrying over things that we cant change because we dont have control over those things The things we have control over we dont usually try to change Many times we have a hard time accepting what has happened in our lives I know I do and I have to tell myself Dont argue with a stop sign You cant beat it Some things just are what they are If I make a mistake I feel that I can learn from that mistake **Never Trust a Stranger** Kay THORPE,1989 **Indecent**

**Strangers On The Street - Serial homicide in South Africa** Micki Pistorius, 2012-10-03 The first comprehensive study of serial homicide in South Africa is intended primarily for psychologists students educators and police officers who require background on the behavioural patterns motives and other details about serial killers It is a serious attempt to understand the mind of the serial killer so that he may be identified and apprehended as soon as possible For as the author points out serial killers prospects of rehabilitation are negative and they need to be removed from society for the remainder of their lives Detectives need specific training to investigate serial homicide and Pistorius believes that an understanding of the psychodynamics of serial killers should be extended to state prosecutors judges parole officers and pathologists She also believes that those who work with children need to be aware that all documented cases of serial killers reveal either

childhood abuse or neglect and that children displaying antisocial behaviour should be identified and receive counselling Only in being proactive in preserving the mental health and well being of children can the double tragedy of serial homicide ultimately be prevented
