

NEVERENDING STORM

The background of the entire cover is a photograph of a sunset or sunrise. The sun is low on the horizon, creating a bright, glowing path of light through the clouds that reflects on the water. The sky is a deep, dark blue. In the foreground, a dark, winding road leads towards the horizon. Silhouettes of trees and bushes are visible on the left and right sides of the road.

Neverending Storm Life With Chronic Pain And Invisible Illness:

Chronic Pain Kelly Gurnett, 2017-12-15 Everyone has experienced pain at one point or another but disorders such as fibromyalgia and multiple sclerosis cause severe long term pain that can greatly limit a person's everyday activities. Because the cause of this pain is not visible, many people do not fully understand these disorders. This volume dispels the myths surrounding chronic pain to give readers a better understanding of the daily struggles people who suffer from it face. Informative sidebars and detailed infographics help young adults learn how to support a loved one who is dealing with an invisible illness or cope with their own chronic pain diagnosis.

The Culture of Pain David B. Morris, 1991 Explores the history of pain in Western literature and culture to restore the bridge between pain and meaning.

These individuals want and need understanding from family, friends, and themselves. Information for people willing to investigate the mystery imprisoning them. Grasp their unseen yet so real prisons. Yet despite the disabling challenges, many lead positive and productive lives. Learn what their lives look like, how they cope, and ways you can assist. For people too familiar with these unseen difficulties, these will be encouraged, find ideas and tips to thrive, regain confidence, and identify new purpose. For caregivers sharing the challenges of a loved one, they will discover hope and support from family caregivers living in these storms. Sunbreaks in Unending Storms sheds light on this predominantly unseen population, offering reassurance for the invisibly disabled, information for those outside the storms, and tips and helps for all.
