New Harbor Witches Keepers:

New Harbor Witches: Keepers Kelli Jae Baeli, 2015-01-14 From an already accomplished writer comes an engaging sexy and suspenseful new series about two young women who thought they were ordinary until they discovered they were witches Dane and Penny are sisters living perfectly average lives until the day Dane finds Nana dead in her easy chair Well Nana was old and old people pass away but her detailed instructions for her ashes have both sisters raising their eyebrows She wants the urn buried Nana says in her last will and testament In a wooden chest Much more thoughtful after death than she ever was in life Nana has even provided a hand drawn map Is this a burial or a mad pirate escapade Twenty minutes of digging and Dane and Penny find what they will come to recognize as the first of many Keeper Boxes and the beginning of brand new lives for each of them as witches New Harbor isn't the sweet and sleepy coastal town they always thought and they themselves are part of something bigger than they ever dreamed existed It doesn't get much more life changing than to find out you and your sister are two of the most powerful witches in a family of them and that your lovers are witches too just waiting for you to come into your powers For Dane and Penny there's an awful lot to learn Starting with how to save the world

My Brother's Keeper Lila Strebeck Wright, 2013-06 One of those drunken dirty derelicts you saw sleeping under a bridge could have been my brother Before you turn away and pretend he is invisible take a second if you will to look at him through my eyes He was a golden child full of energy hope enthusiasm for life filled with sunshine and laughter My brother was ten years older than I and from the very first he was my champion and hero I loved him unconditionally He and his entire generation were called upon to set aside their hopes and dreams to fight a war in far off lands with the express purpose of battling injustice and totalitarianism and to preserve the American Dream It is because of the sacrifices of those selfless men and women we are still living in democracy with all that entails When he returned from the war the laughter and the sunshine were gone Back then they called it Combat Fatigue and today it is referred to as PTSD It doesn't matter what you call it the results are the same This is his story
