THE YOUNG CHRISTIAN'S SURVIVAL GUIDE
Donald T. Williams,2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn t understand science Don t we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn t the Bible support genocide Doesn t the Bible support racism Doesn t the Bible support slavery Doesn t the Bible support homophobia Doesn t the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers

Christian Survival Guide Christopher Roberts, 2017-05-18 This mini book will provide you with seven steps along the path of righteousness encouraging Christians that God is with them no matter what Even though this Christian Survival Guide is short it will provide readers with a taste of the kind of books I am writing to encourage the body of Christ today as we prepare for the Second Coming of Jesus Christ our Lord and Saviour The first step to Christian survival will consider that God wants to restore those who may have been going through difficult times in their lives It's very easy for a Christian to lose their spiritual edge especially if they have been going through circumstances that have required all their attention We shall consider how to rely more on God to motivate our spirituality in these last days of time The second step to Christian survival will focus on how to exercise patience and love towards those in our churches and fellowships those who may not conform to the way that we do things in the Kingdom of God In this chapter we shall consider how to exercise patience and love rather than being overly critical and judgemental towards those in need of help and guidance in their lives The third step towards Christian survival will evaluate the difference between judgment and spiritual discernment In the first half of this chapter we shall consider how to correctly judge one another In the second half of this chapter we shall consider the need to use discernment when facing some of the false doctrines that are invading our churches today The fourth step to Christian survival will discuss how to be led by the Holy Spirit rather than adhering to a legalistic code of practice that many churches observe today Christianity is not about observing some specific doctrine or even looking good before others it's about obeying God and experiencing the leading of the Holy Spirit in our individual lives even though that leading may be different to how God leads other people in their day to day walk with him The fifth step to Christian survival will analyse the

correct appropriation of God's grace in our lives. We need grace to help us seek God until he sets us free from the temptations and sins that plague many Christians today, something that cannot be achieved through the observance of some law telling us that we should not sin. The penultimate key to Christian survival will attempt to gain an understanding between faith and works; works will not bring us to Christ. However, faith without works is dead. Therefore, we shall consider the right balance that we need to achieve between faith and works. The final step to Christian survival will discuss the need to be prepared to let God change us from vessels of dishonour into vessels of honour, fit for the Master's use. God is able to do this by allowing many of us to pass through various trials and difficulties that affect people today. Rather than running away from such trials and tribulations, God may be trying to speak to us and change us more into the image of his Son, Jesus Christ. It is my prayer that this short book will encourage you to face whatever it is that comes against your life and turn it into something good that will benefit both you and the Kingdom of God at the same time.

Genesis 50:20 **Survival Kit** Ralph W. Neighbour, Jr., Bill Latham, 1979-11-05. *Survival Kit: 5 Keys to Effective Spiritual Growth* helps new and growing Christians understand and deal with conflicts between old and new patterns of thoughts and habits. It also helps believers develop a regular pattern of quiet time prayer, Bible study, and Scripture memorization. Includes a small group discussion guide and one-to-one counselor's guide, 6 sessions. *THE CHRISTIAN APOLOGIST* Edward D. Andrews, 2016-11-03 **Biblical Counsel**, 1993 **DEFENDING CHRISTIANITY** Alfred Ernest Garvie, 2022-06-04. Garvie offers the reader an overview of arguments for Christianity on subjects varying from the existence of God to eschatology. Alfred Ernest Garvie shows us the magnificence of the faith instead of becoming weighed down by tiresome arguments. He systematically covers every significant Christian teaching, making this handbook a valuable reference for believers and unbelievers alike looking for appealing summaries of specific doctrines. **DEFENDING THE CHRISTIAN FAITH** Samuel L. Phillips, 2022-06-02. Use the tools of reason, the power of the mind to think, understand, and form judgments by logic to construct an argument for the Christian faith. Paul reasoned from the Scriptures; he proved, explained, and persuaded. Samuel L. Phillips maintains that we can establish many of the essential truths of Christianity from facts most people believe in. In *DEFENDING THE CHRISTIAN FAITH*, he creates common ground with unbelievers, showing that they already believe in fundamental truths that lead to Christianity. *Innovation & Revolt: Print Edition* Leopold Boeckl, 2018-02-16. Today's industrialized nations are still limping toward recovery in the aftermath of the Great Recession in 2007, and the world is watching the many resulting social revolutions. History has seen this before; in fact, titanic revolutions have been cyclical responses to the horrific financial conditions borne out of the industrial era's market crashes. The French Revolution and World War II are two indelible examples of violent impacts incited by large economies suddenly taking a nosedive. History meets macroeconomics as this book lays out how technology has been the main driver of societal change for all of human history. This book then outlines the four waves of technological innovation that have powered the industrial era and traces the seismic shifts in culture, society,

and worldview that brought about the world as we know it today *HAPPINESS* Edward D. Andrews, 2024-10-16

21 December 2012 was believed to mark the end of the thirteenth Baktun cycle in the Long Count of the Mayan calendar Many people believed this date to mark the end of the world or at the very least a shift to a new form of global consciousness Examining how much of the phenomenon is based on the historical record and how much is contemporary fiction the book explores the landscape of the modern apocalyptic imagination the economics of the spiritual marketplace the commodification of countercultural values and the cult of celebrity *PASTORAL COUNSELING* Edward D.
