New City Catechism:

The New City Catechism Devotional Crossway, Collin Hansen, 2017-04-13 In centuries past the church has used catechisms to teach foundational Christian doctrines. Today this communal practice of learning basic beliefs via questions and answers has largely been lost. Seeking to restore this ancient method of teaching to the regular life of the church, *The New City Catechism Devotional* is a gospel-centered, modern-day resource that not only summarizes important Christian beliefs through 52 questions and answers but also helps readers meditate on and be transformed by those doctrines. Each question features devotional commentary written by leading contemporary and historical figures such as John Piper, Timothy Keller, Kevin DeYoung, D. A. Carson, Alistair Begg, Mark Dever, Augustine, John Calvin, Jonathan Edwards, John Owen, Martin Luther, and many others. Each question also includes a relevant Scripture reading and short prayer. Designed for use in a variety of contexts including with families, churches, and small groups, *The New City Catechism Devotional* stands as a valuable resource for helping adults and children alike learn the key doctrines that stand at the heart of the Christian faith. *The New City Catechism for Kids* Gospel Coalition, 2018 A simplified version of *The New City Catechism* designed for children, this 64-page booklet contains 52 short questions and answers aimed at helping them better understand God, humanity, sin, and salvation. *The New City Catechism Curriculum* Gospel Coalition, 2018 *The New City Catechism Curriculum* expands the questions and answers of *The New City Catechism* into fifty-two engaging and informative lessons helping children ages 8-11 better understand the truth of God's word and how it connects to their lives. **The New City Catechism**, 2017 This modern-day catechism sets forth fifty-two questions and answers designed to build a framework to help adults and children alike understand core Christian beliefs. *New City Catechism* Timothy Keller, Sam Shammas, 2014-10-15 A joint adult and children's catechism consisting of 52 questions and answers adapted by Timothy Keller and Sam Shammas from the Reformation catechisms. *The Church* Gregg R. Allison, 2021-02-22 What comes to mind when you think of the word church? In this volume, Gregg R. Allison helps define the church and its mission by presenting an overview of the specific doctrines and practices of different churches and denominations. He lays a basic foundation for better understanding the common practices among local church communities, mere ecclesiology, and the ways that they diverge from one another, more ecclesiology. Through this systematic primer, you will come away knowing not only how various churches differ but also how they're ultimately united as the body of Christ and the temple of the Holy Spirit. *Babel Church* Li Ma, 2021-03-16 Assisted by a diverse mass media industry, American evangelicalism has been long plagued by consumerism, entrepreneurism, and social engineering. Churches and movements that carry the name of Christ have become projects of ambition and scandals in the public eye. Without fixing its dysfunctions, these ministry models have expanded to other parts of the world, reaping similar fruits of corruption, prejudice, and abuses. The alarm call of MeToo and ChurchToo movements since 2017 made it more urgent for the global body of Christ to inspect its pathological patterns. What kind of response does the MeToo

movement require of our public theology and leadership ethics Sociologist Li Ma invites us to re engage with biblical exegesis while being attentive to new mandates of God revealed from MeToo A creative Ellulian integration of sociological analysis and theology Babel Church incisively reveals why American evangelicalism and its global projects have succumbed to the temptations of worldly power at the expense of vulnerable members in the body of Christ

Everyday Faithfulness Glenna Marshall, 2020-05-07 What does the Christian life look like when life is unpredictable hard or just plain ordinary We live in an instant gratification world where results are quickly measured and words like discipline and perseverance evoke thoughts of legalism or asceticism But Everyday Faithfulness explores what daily perseverance in Christ looks like during various seasons when spiritual growth seems especially difficult Working through the unique challenges that come with seasons of waiting caretaking suffering worry spiritual dryness and more this book delves into practical ways to build habits into everyday life that will aid in spiritual growth throughout a lifetime Each chapter closes with a real life example of a woman whose life of regular everyday faithfulness will encourage readers to remain steadfast in theirs Published in partnership with the Gospel Coalition

Finding the Right Hills to Die On Gavin Ortlund, 2020-04-14 In theology just as in battle some hills are worth dying on But how do we know which ones When should doctrine divide and when should unity prevail Pastor Gavin Ortlund makes the case that while all doctrines matter some are more essential than others He considers how and what to prioritize in doctrine and ministry encouraging humility and grace along the way Using four basic categories of doctrine in order of importance this book helps new and seasoned church leaders alike wisely labor both to uphold doctrine and to preserve unity

The Plurality Principle Dave Harvey, 2021-02-17 Building and Sustaining a Thriving Leadership Culture Essential to every healthy church is a biblical model of leadership In the New Testament church leadership is built

around a team of elders working together each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them However in many churches today the principle of plurality in leadership is often misunderstood mistakenly applied or completely ignored Dave Harvey encourages church leaders to prioritize plurality for the surprising ways that it helps churches to flourish This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation

Download the free study guide [Remember Death](#) Matthew McCullough, 2025-06-10 The Best Way to Find Meaning in Life Is to Get Honest About Death Life expectancy worldwide is twice what it was a hundred years ago And because of modern medicine many of us don't often see death up close That makes it easy to live as if death is someone else's problem Ignoring the certainty of death doesn't protect us from feeling its effects throughout the lives we're living now but it does hold us back from experiencing the powerful everyday relevance of Jesus's promises to us So long as death remains remote and unreal Jesus's promises will too But honesty about death brings hope to life That's the ironic claim at the heart of this book Cultivating death awareness helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday realities of our world where they belong Insightful and Accessible Draws from many sources including research from science and psychology and examples from literature pop culture theology and Scripture Christ Centered Encouragement for Life and Loss Teaching what the Bible says about identity futility and grief McCullough offers hope that is tied to the promises of God Replaces ISBN 978 1 4335 6053 8

[Confronting Christianity](#) Rebecca McLaughlin, 2019-04-17 Although many people suggest that Christianity is declining research indicates that it continues to be the world's most popular worldview But even so the Christian faith includes many controversial beliefs that non-Christians find hard to accept This book explores 12 issues that might cause someone to dismiss orthodox Christianity issues such as the existence of suffering the Bible's teaching on gender and sexuality the reality of heaven and hell the authority of the Bible and more Showing how the best research from sociology science and psychology doesn't disagree with but actually aligns with claims found in the Bible these chapters help skeptics understand why these issues are signposts rather than roadblocks to faith in Christ *Reading the Bible, Missing the Gospel* Ben Connelly, 2022-09-06 Don't keep asking God for forgiveness Do judge one another And you're not going to heaven for all eternity How have we misunderstood the teachings of Jesus Often His message to the leaders and disciples was You're getting this wrong Somewhere along the way you got confused lost way off track Would He have the same assessment of us today In *Reading the Bible Missing the Gospel* pastor and author Ben Connelly shows us how to recover God's original intentions in light of the story of redemption Connelly helps us celebrate and understand how Jesus' life death and resurrection are truly good news for the tangible situations in our everyday lives Biblical misunderstandings can lead to a small view of God but truth overturns that It expands our hearts for God and enables us to truly love others Using theology humor and practical examples the author reveals shockingly common ways we get the Bible wrong Connelly invites

Christians to see themes and teachings with new eyes or rather with old eyes on topics like confession and forgiveness what it means to be blessed or happy whether we re commanded to or prohibited from passing judgement How does the gospel inform our understanding and answer these questions Connelly gives readers a new gospel focused lens that addresses common frustrations and helps them see with renewed hope clarity and courage **Digital Detox** Molly DeFrank,2022-04-19 This brilliant book is a game changer WENDY SPEAKE author of The 40 Day Social Media Fast and Triggers Exchanging Parents Angry Reactions for Gentle Biblical Responses Hope and practical direction for parents FRANCIS and LISA CHAN New York Times bestselling authors It s time to flip the switch and get your kids back Mom of six Molly DeFrank was sick of screen time meltdowns She wanted more for her family so she pulled the plug declaring a digital detox for her kids The transformation blew her away She got her sweet happy kids back The detox was easier than she could have hoped and the results were better than she could have dreamed In just two weeks her children were free from the grip of digital devices Their moods shifted immediately and their creativity exploded They learned how to entertain themselves and enjoy life without screens Her experiment led to a total tech overhaul that changed her family s life Here s how she did it in just fourteen days and how you can too Digital Detox offers step by step guidance that will help you overcome your fear of firing your electronic babysitter cultivate your child s giftings outside of screens confidently set the right tech boundaries for your family develop a long term plan to sustain lasting change Best of all you ll transform screen zombies into friendly happy grateful kids You can put technology in its right place This book will show you how How to Grow Darryl Dash,2018-08-07 Are you dissatisfied with your spiritual life Do you feel stuck or stagnant Are you tired of going through the motions of faith Do you want to make real progress in your life but not know where to start How to Grow is a book for people who want to grow spiritually and help others grow as well We often see the gospel as the starting point of the Christian life rather than the main point of all of life But the truth is that the gospel is the key to all ongoing growth in our lives As Galatians 2 14 says we are called to live our whole lives in step with the truth of the gospel In How to Grow Darryl Dash will walk you through a practical habit based approach to spiritual growth Join Darryl as he unpacks the gospel shows how it applies to every area of your life and helps you evaluate your current stage of growth so you know what steps to take next You ll learn why habits are important how to build them and which ones to focus on first Plus you ll discover the roles that joy and desire play in our spiritual growth journey Practical without being formulaic How to Grow offers actionable ideas to facilitate spiritual growth in the lives of regular messy people people like you and me *The Great Dechurching* Jim Davis,Michael Graham,Ryan P.
