Paper On Abraham Lincoln:

The Complete Papers and Writings of Abraham Lincoln Abraham Lincoln, 2017-02-21 A complete documentary archive of Abraham Lincoln's writings from historic speeches to personal letters and telegrams. Collected here are numerous documents written by Abraham Lincoln from 1832 to 1865 over the course of his long career as a lawyer, statesman, and president of the United States. From the man who led the nation through the Civil War and into its Reconstruction, Lincoln's written statements including the Emancipation Proclamation and the Gettysburg Address are some of the most significant documents in American history. Included with these works are telegrams to politicians and wartime generals as well as personal letters discussing a range of topics from youth and marriage to depression. This extensive collection is not only an excellent documentary history of America's greatest trial as a nation but also an opportunity to enjoy the intellect and wit of one of America's greatest orators. As Theodore Roosevelt says in his introductory comments, Lincoln's deeds and words are not only of consuming interest to the historian but should be intimately known to every man engaged in the hard practical work of American political life. This ebook has been professionally proofread to ensure accuracy and readability on all devices.
