Building Financial Resilience Jerry Buckland,2018-02-19 This book examines how credit and finance schemes affect the financial lives of vulnerable people around the world These schemes include payday lending matched savings and financial literacy in the Global North and micro credit and mobile banking in the Global South Buckland sets these schemes within the context of financialization and seeks to identify strengths weaknesses and ways to enhance the well being of vulnerable people This book s coverage of a wide range of financial products and geographic regions makes for a unique and innovative perspective on this topic It presents a balanced critique of credit and finance schemes under the assumption that reform is the most practical means to improve human well being

Social Citizenship in an Age of Welfare Regionalism Mark Simpson,2022-06-30 This book presents a socio legal examination of national and devolved level developments in social protection in the UK through the eyes of politicians and officials at the heart of this process Since its inception in 1998 devolution has altered the character of the UK welfare state with dramatic change in the 10 years since 2010 A decade of austerity at national level has exposed diverging view in how governments in London Edinburgh and Belfast view the social rights of citizenship This political divide has implications for both social security law as the devolved countries begin to flex their muscles in this key area for citizens economic welfare and the constitutional settlement The book reflects on the impact of austerity the referendum on Scottish independence and subsequent changes to the devolution settlement Northern Ireland s hesitant moves away from parity with Westminster in social protection withdrawal from the European Union Brexit and the possible retreat from austerity during the COVID 19 pandemic The social union may or may not be weakening its character is unquestionably changing and the book lays bare the ideological and pragmatic considerations driving legal developments TH Marshall s theory of citizenship provides the lens through which these processes are viewed while itself being reinterpreted in light of the national government s increasing delegation of responsibility for social rights whether to individuals the voluntary sector or lower tiers of government

Connecting the Nation Paul Ashton,Tracy Ireland,Jaya Keaney,Alison Wain,Mitchell Whitelaw,2017-01-01 Aviation has played an important part in shaping Australia s culture and history through the course of the twentieth century Australia embraced aviation from its earliest days eagerly responding to its potential to cover a challenging country to bring far flung communities closer and to provide services that could not be delivered any

other way Add the romance of pioneer heroes the vital role of aviation in wartime and the capacity to deliver aid to people in need in Australia and beyond and it is clear why aviation is at the heart of Australia's recent history This book aims to set out the major themes that characterise Australia's aviation history for a broad audience and to provide a foundation for a broader discussion and for further research about how aviation transformed Australia Connecting the Nation is a vital and timely introduction to the history of civil aviation in Australia as we prepare for the centenary of civil aviation services in 2020

Discovering Medieval Song Mark Everist,2018-05-31 The Conductus repertory is the body of monophonic and polyphonic non liturgical Latin song that dominated European culture from the middle of the twelfth century to the beginning of the fourteenth In this book Mark Everist demonstrates how the poetry and music interact explores how musical structures are created and discusses the geographical and temporal reach of the genre including its significance for performance today The volume studies what medieval society thought of the Conductus its function in medieval society whether paraliturgical or in other contexts and how it fitted into patristic and secular Latin cultures The Conductus emerges as a genre of great poetic and musical sophistication that brought the skills of poets and musicians into alignment This book provides an all encompassing view of an important but unexplored repertory of medieval music engaging with both poetry and music even handedly to present new and up to date perspectives on the genre
