Paper Chase Bob Cook,2014-11-01 Four MI5 retirees prove they ve still got it in this spy thriller for fans of Rob Thomas and Hopscotch The four old spies are long past their glory days and now meet up mostly at the funerals of former colleagues after which they typically enjoy an hour or two of complaining about the relaxation of standards at Britain s security services The latest indignity The Director has recently sent round a most discourteous directive that the four are under no circumstances to consider writing their memoirs Well they are not to be ordered about like some band of errand boys They served their country with honor and the country has the right to know it In fact if you think about it publishing their memoirs is a patriotic duty Unfortunately the Director doesn t see it quite that way Praise for Paper Chase An amusing civilized rather wonderful caper The New York Times Delightful Kirkus Reviews

Right-Wing Populism in America Chip Berlet,Matthew N. Lyons,2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America
