Paper and Books in Ancient Egypt Jaroslav Černý,1985 *Parliamentary Papers* Great Britain. Parliament. House of Commons,1883 **Abstracts of Scientific and Technical Papers Published in Egypt** Markaz al-Qawmī lil-Buḥūth (Egypt),1965 Includes abstracts of scientific and technical papers published in other Middle East countries **The British Defence of Egypt, 1935-40** Steve Morewood,2004-11-25 A comprehensive and challenging analysis of the British defence of Egypt primarily against fascist Italy in the critical lead up period to the Second World War Culminating in the decisive defeat of the Italian military threat at Sidi Barrani in December 1940 this is a fascinating new contribution to the field

The British Defence of Egypt, 1935-1940 Steven Morewood,2005 A comprehensive and challenging analysis of the British defence of Egypt primarily against fascist Italy in the critical lead up period to the Second World War Culminating in the decisive defeat of the Italian military threat at Sidi Barrani in December 1940 this is a fascinating new contribution to the field The security of Egypt a constant of British imperial strategy is a curiously neglected dimension of the still burning appeasement debate Steven Morewood adds to the originality of his interpretation by suggesting the old view should be reinstated that Mussolini should and could have been stopped in his empire building at the Abyssinian hurdle Thereafter as Nazi Germany tore the Versailles peace settlement to shreds the drift to war accelerated as British resolve and credibility were brought into question The fascist dictators in Rome and Berlin held no respect for weakness and Mussolini became the conduit through which Hitler could apply pressure to a sensitive British interest through reinforcing Libya at critical moments *Long 1890s in Egypt* Marilyn Booth,2014-07-28 Egypt just before political eruption Turns of the century in Africa s northeastern corner have been critical moments ushering in overt popular activism in the hope of radical political redirection as this volume s focus on Egypt s 19th century fin de siecle demonstrates The end of the 19th century in Egypt witnessed crisscrossing and conflicting political currents as well as fluctuating economic geopolitical social conditions demographic conditions and cultural processes Like Egypt s 20th century fin de siecle much of this ferment was a prelude to the more visible and politically eruptive events of the next decades when Egypt s popular resistance burst onto the international scene But its subterranean cast was no less dynamic for that *Egypt's Occupation* Aaron G. Jakes,2020-08-25 The history of capitalism in Egypt has long been synonymous with cotton cultivation and dependent development From this perspective the British occupation of 1882 merely sealed the country s fate as a vast plantation for European textile mills All but obscured in such accounts however is Egypt s emergence as a colonial laboratory for financial investment and experimentation Egypt s Occupation tells for the first time the story of that financial expansion and the devastating crises that followed Aaron Jakes offers a sweeping reinterpretation of both the historical geography of capitalism in Egypt and the role of political economic thought in the struggles that raged over the occupation He traces the complex ramifications and the contested legacy of colonial economism the animating theory of British imperial rule that held Egyptians to be capable of

only a recognition of their own bare economic interests Even as British officials claimed that economic development and the multiplication of new financial institutions would be crucial to the political legitimacy of the occupation Egypt's early nationalists elaborated their own critical accounts of boom and bust As Jakes shows these Egyptian thinkers offered a set of sophisticated and troubling meditations on the deeper contradictions of capitalism and the very meaning of freedom in a capitalist world
