

MEDIA REPORTING OF TERRORISM: A CASE STUDY OF ISLAMIC STATE OF IRAQ AND SYRIA (ISIS)

Lubna Sunawar*

Abstract

Terrorist organizations have long realized the invaluable benefits of various media platforms, particularly social media, in achieving their tactical, operational and strategic goals. They have figured out how to make an impact through social media. Researchers have found that media plays a significant role in disseminating messages supporting terrorism. Since the September 11, 2001 attacks, terrorism has attracted much media attention. ISIS, in particular, has produced the most technologically sophisticated propaganda compared to other terrorist groups. Since terrorism has received so much media attention, it is vital to understand how it is presented in international news. This study, therefore, examines terrorists' use of media while focusing on ISIS as a case study. Research findings suggest that employing media as a weapon in combat is vital to ISIS's strategy to establish a hypothetical Islamic caliphate. ISIS uses media for three central goals: promoting its propaganda, recruiting new fighters, and inciting violence. The article employs framing theory, a study of comparative journalism and global media coverage of terrorism. This paper also explores the idea that media coverage may very well encourage acts of terrorism.

Keywords: Terrorism, Media, ISIS, Propaganda, Framing Theory.

Introduction

The connection between terrorism and media has long been regarded as one of the most crucial areas of research on terrorism.¹ It is often believed to be symbiotic with terrorists delivering violent, thrilling stories that help sell news products. Media, directly or indirectly, provide a platform for terrorists to spread their message and instil fear in public, thus influencing how terrorists' messages are circulated. The relationship between terrorism and media refers to the 'theatre of terror,' which describes how terrorist organisations use media in a dramatic, theatrical manner to portray terror incidents for publicity.² This mutually beneficial relationship has been well-documented recently, most notably within the last two decades.³ Numerous terrorist incidents throughout history have shown that terrorists use media for operational effectiveness, recruitment, fundraising, and propaganda schemes worldwide.⁴ Terrorists employ media for attention, recognition, and perhaps even some legitimacy for their acts.⁵ In return, media receive massive audiences, record sales, and public engagement, which are essential for their business sustainability. To put it another way, for terrorism

Briskey Silke Zoller Elizabeth L Miller and William V Hudon **The Terrorism Trap** Harrison Akins,2023-06-20 After two decades and trillions of dollars the United States fight against terrorism has achieved mixed results Despite the vast resources and attention expended since 9 11 terrorism has increased in many societies that have been caught up in the war on terror Why have U S policies been unable to stem the tide of violence Harrison Akins reveals how the war on terror has had the unintended consequence of increasing domestic terrorism in U S partner states He examines the results of U S backed counterterrorism operations that targeted al Qaeda in peripheral regions of partner states over which their central governments held little control These operations often provoked a violent backlash from local terrorist groups leading to a spike in retaliatory attacks against partner states Senior U S officials frequently failed to grasp the implications of the historical conflict between central governments and the targeted peripheries Instead they exerted greater pressure on partner states to expand their counterterrorism efforts This exacerbated the underlying conditions that drove the escalating attacks trapping these governments in a deadly cycle of tit for tat violence with local terrorist groups This process Akins demonstrates accounts for the lion s share of the al Qaeda network s global terrorist activity since 2001 Drawing on extensive primary sources including newly declassified documents dozens of in depth interviews with leading government officials in the United States and abroad and statistical analysis The Terrorism Trap is a groundbreaking analysis of why counterterrorism has backfired **International Terrorism: Political and Legal Documents** Yonah

Alexander,2023-08-28 This is the first comprehensive single volume collection of terrorism documents The editor assembled material from both governmental and nongovernmental source relating to the prevention and suppression of terrorism The collection constitutes a valuable research tool for academics and also for those concerned with implementing instruments to combat terrorism *Terrorism Studies* John Horgan,Kurt Braddock,2012 This comprehensive reader seeks to equip the

aspiring student based anywhere in the world with a comprehensive introduction to the study of terrorism *International Terrorism: A Compilation of U.N. Documents (1972-2001)* M. Cherif Bassiouni, 2023-04-17 An extensive body of law designed to control international terror violence has come into being and it is this assembly of reports and resolutions conventions and scattered treaty provisions that we must rely on as we move toward an enforceable unambiguous anti terrorism regime in international law These legal instruments are gathered together for the first time in this definitive two volume set The only published source of all United Nations documentation since 1972 on the subject of terrorism including all 180 reports and resolutions adopted since that date and up to June 2001 Plus an introductory article by the editor provides a forward looking view of the evolving challenges in combating the ever changing manifestations of terror violence Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052278 **Research Papers**

Kanada Commission of Inquiry into Investigation of the Bombing of Air India Flight 182, 2010 , CTS and Right-Wing Terrorism and Counterterrorism Alice Martini, Raquel da Silva, 2023-08-22 This volume is a timely contribution to the current debates and potential efforts to study and counter the phenomena of extreme right violence in a period when the rise of right wing extremism is being witnessed across the globe Against this backdrop the violent radicalisation and extremism of individuals and groups belonging to the extreme right threaten to undermine and destabilize societies and democratic orders leaving a research gap that has only started to be filled in recent years but that is still quite wide when it comes to counter terrorism approaches to extreme right violence Learning from the past and trying to avoid similar mistakes this volume creates a much needed space for open honest and ethical debate around countering extreme right violence answering social and political calls to debate how to counter this kind of violence This volume brings together a group of interdisciplinary scholars to contribute to national and international academic and policy debates about countering extreme right violence from a critical perspective Volume I focuses particularly on exploring how extreme right violence has been approached narrated and made sense of in different spatial and temporal contexts examining how political actors such as media and politicians portray the threat of and actual violence perpetrated by the extreme right deconstructing current counter terrorism approaches and formulating a critical approach to researching extreme right violence It will be of great interest to all students of terrorism studies security studies international relations and political science in general The chapters in this book were originally published in *Critical Studies on Terrorism* **Terrorism: Commentary on Security Documents Volume 148** Jr. Douglas C. Lovelace, 2018-08-29 Terrorism Commentary on Security Documents is a series that provides primary source documents and expert commentary on various topics relating to the worldwide effort to combat terrorism as well as efforts by the United States and other nations to protect their national security interests Volume 148 Lone Wolf Terrorists examines the phenomenon of the solitary domestic terrorist analyzes the distinction between such terrorists and mass murderers who are not deemed to be terrorists considers the motivations of violent extremists and examines the

dilemmas faced by law enforcement in preventing solitary political extremists with violent ideologies from translating their beliefs into actions The volume is divided into three sections providing an overview of the topic an examination of strategies for prevention of such attacks and a consideration of the Internet s role in contributing to radicalization Documents included in this volume include a CRS report on domestic terrorism a report examining violent radicalization from a criminal justice perspective and a CRS report differentiating hate crimes from domestic terrorism as well as other reports on the lone wolf terrorism phenomenon and strategies to prevent and or counter it The last document in the volume is a CRS report relating to the advocacy of terrorism on the Internet especially including social media and the ways in which law enforcement might be able to address the problem of dangerous online speech within the current U S legal structure

Terrorism and Weapons of Mass Destruction Ian Bellany, 2007-12-12 There is a widely held belief in the imminent probability of nuclear chemical or biological weapons of mass destruction being used by terrorists against civilian targets This edited volume critically assesses the suggestion that one safeguard against this possibility would be to strengthen existing international prohibitions against state level acquisition of such weapons A glimpse of the possible potential of terrorist use of weapons of mass destruction has been seen through the actions of the Tokyo Aum group and through the use of chlorine by insurgents in Iraq However the extent of the real threat posed is as yet unclear and safeguarding against it in developing countries will not be easy This book assembles specialists in each category of WMD in order to examine the potential of expanding the three classical arms control treaties in order to combat the threat posed by smaller terrorist groups and draws conclusions as to the strengths and weaknesses of this suggestion

Selected Course Papers on Aviation Security and Crisis Management, 2000

Preventing the Maritime Facilitation of Terrorism Robin Bowley, 2022-12-30 In the aftermath of the 9 11 attacks concerns that terrorists might utilise vessels to transport weaponry terrorist operatives and or to finance their activities prompted several international legal developments This book evaluates the extent to which the international maritime security measures developed following the 9 11 attacks would be likely to prevent the utilisation of vessels to facilitate terrorist activities It considers the likely effectiveness of the International Ship and Port Facility Security Code for improving vessel and port security and the 2005 Protocol to the Convention for the Suppression of Unlawful Acts Against Maritime Navigation in facilitating the interdiction of suspected terrorist vessels It also explains how the US led Proliferation Security Initiative a cooperative effort through which participant governments agree to prevent the illicit transfers of Weapons of Mass Destruction and related materials has provoked debate about the legality of vessel interdictions under the United Nations Convention on the Law of the Sea the LOSC After exploring alternative interpretations of the LOSC and states self defence rights under Article 51 of the Charter of the United Nations it formulates suggested guidelines for the unilateral interdiction of suspected terrorist support vessels in exceptional circumstances The book also discusses the relevant recommendations by the OECD s Financial Action Taskforce for preventing the financing of terrorism and the national

maritime security legislation for preventing the maritime facilitation of terrorist activities in the United Kingdom and in Australia The book concludes by emphasising the importance of the continual active implementation of ship port facility and supply chain security measures and of further enhancing international cooperation to facilitate vessel interdictions It will be of interest to those working in the areas of Law and Terrorism Law of the Sea Maritime Law and Insurance and International Law

Tangled Roots Jeffrey Ivan Victoroff, 2006 What do we really know about the contributing causes of terrorism Are all forms of terrorism created equal or are there important differences in terrorisms that one must know about to customize effective counter strategies Does poverty cause terrorism This book talks about the basic human ingredients that combust to produce violent extremism

Evidence-Based Counterterrorism Policy Cynthia Lum, Leslie W. Kennedy, 2011-11-06 In the past eight years there has been a massive increase in government spending on counterterrorism intervention development and implementation Given this increase there are two evidence based policy questions that are important to address Is there evidence that any of these programs are effective in other words can they be shown to be linked to reducing terrorism terrorist recruiting or to improving the response and management of terrorist events Do these interventions have secondary or collateral effects that may be costly harmful illegal beneficial or otherwise As Lum and Kennedy discovered in an evaluation research on counterterrorism interventions only a minuscule number of empirical studies of terrorism exist and there is an almost complete absence of evaluation research on counter terrorism strategies This is startling given the enormous increases in the development and use of counter terrorism programs as well as spending on counter terrorism activity Even more disconcerting was the nature of the evaluations we did find some programs were shown to either have no discernible effect on terrorism or lead to increases in terrorism The emphasis of the need for empirical research in evaluating interventions and informing policy cannot be overstated and is the primary goal of Evidence Based Counterterrorism Policy

Counterterrorism in Saudi Arabia Rachael M. Rudolph, 2017-11-17 As jihadist extremism and its manifestation as Al Qaeda began to spread even in the years before 9 11 Saudi Arabia became a principal target Jihadists identified the country as the first state against which they could mount a concerted effort to destabilise undermine and subvert the authority of its central government and its ruling elites This prompted the Saudis to take defensive initiatives which were to become widely recognised as an effective way to deal with extremism The key element of the Saudi approach was to lace their hard confrontation of the extremists with subtle soft mechanisms to undermine the will of actual and potential terrorists The efforts ranged from interdiction of funding terrorist groups to the deployment of social and psychological pressures aimed at steering extremists away from their cause This included welfare inducements whereby perpetrators were persuaded by material benefits state support to families and individuals housing allowances educational opportunities to abandon their political goals in favour of a return to family and society This book charts the course of the Saudi terrorist rehabilitation programme and makes vital reading for all who either directly or indirectly have an interest in following the emergence of

international terrorism **Arguing Counterterrorism** Daniela Pisoiu, 2014-04-03 This book offers a multifaceted analytical account of counterterrorism argumentative speech. Traditionally existing scholarship in this field of research has taken a selective focus on issues and actors concentrating mainly on US state discourse after 9/11. However, this approach ignores the fact that there was counterterrorism speech before 9/11 and that there are other countries and other actors who also actively engage in the counterterrorism discursive field both within and outside of the Western world. Addressing several thematic, chronological and methodological gaps in the current literature, *Arguing Counterterrorism* offers a dynamic perspective on counterterrorism argumentative speech. Over the course of the volume, the authors tackle the following key issues: first, historical and cultural continuity and change; second, the phenomenology of counterterrorism speech, its nature, instrumentalisation, implications and interactions between the various actors involved; the third theme is the anatomy of counterterrorism speech, namely its political, cultural and linguistic constitutive elements. Employing a multi-disciplinary framework, the authors explore these issues through a geographically and historically diverse range of case studies, resulting in a book that broadens the perspective of counterterrorism argumentation analysis. This book will be of much interest to students of critical terrorism studies, counterterrorism discourse analysis, security studies and IR.

Papers On Terrorism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Papers On Terrorism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Papers On Terrorism has opened up a world of possibilities. Downloading Papers On Terrorism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Papers On Terrorism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Papers On Terrorism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Papers On Terrorism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Papers On Terrorism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Papers On Terrorism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Papers On Terrorism Books

What is a Papers On Terrorism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Papers On Terrorism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Papers On Terrorism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Papers On Terrorism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Papers On Terrorism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
