Moral and Religious Truths John Bate, 1865 **Passage through Hell** David L. Pike, 2018-09-05 Taking the culturally resonant motif of the descent to the underworld as his guiding thread David L Pike traces the interplay between myth and history in medieval and modernist literature Passage through Hell suggests new approaches to the practice of comparative literature and a possible escape from the current morass of competing critical schools and ideologies Pike's readings of Louis Ferdinand Celine and Walter Benjamin reveal the tensions at work in the modern appropriation of structures derived from ancient and medieval descents His book shows how these structures were redefined in modernism and persist in contemporary critical practice In order to recover the historical corpus of modernism he asserts it is necessary to acknowledge the attraction that medieval forms and motifs held for modernist literature and theory By pairing the writings of the postwar German dramatist and novelist Peter Weiss with Dante's *Commedia* and Christine de Pizan with Virginia Woolf Pike argues for a new level of complexity in the relation between medieval and modern poetics Pike's supple and persuasive reading of the *Commedia* resituates that text within the contradictions of medieval tradition He contends that the Dantean allegory of conversion altered to suit the exigencies of modernism maintains its hold over current literature and theory The postwar writers Pike treats Weiss Seamus Heaney and Derek Walcott exemplify alternate strategies for negotiating the legacy of modernism The passage through hell emerges as a way of disentangling images of the past from their interpretation in the present Ancient Mysteries Described William Hone, 1823 Hone's summaries and excerpts from medieval Coventry plays or mysteries in the British Museum *The Works of Isaac Barrow* Isaac Barrow, 1845 **Milton and the Middle Ages** John Mulryan, 1982 Refuting the view that Milton was an antimedievalist the eight essays presented here approach him from the interdisciplinary perspectives of historical theological literary philosophical and pictorial concerns and illuminate the many areas in which Milton's work grew out of medieval art and culture **Ancient Mysteries Described** William Hone, 1996-09 1823 Especially the English miracle plays founded on Apocryphal New Testament Story extant among the unpublished manuscripts in the British Museum Including notices of ecclesiastical shows the festivals of fools and asses The descent into Hell **Essay on Milton's English and versification.
