

Paragraph on My Best Friend

Friends are dear. But true friends are very rare. I have a number of friends including my school friends and the friends of my locality. But how many of them are true friends? I do not know. But I know one as my best friend. He is Rahul. He reads with me. We both sit on the same bench in school. He helps me in clearing my doubts and I help him too. Even we have our tiffin together. We return home together after the school hour.
