

## 10-Year Limited Warranty

Subject to the conditions and limitations set forth below, Malarkey Roofing Products (Malarkey) warrants to the owner of the Malarkey products named below that such products are free from actual manufacturing defects and will remain serviceable under normal conditions of intended use for ten (10) years from the date of completion of their proper application.

In the event any such Malarkey Roofing Products are shown to have actual manufacturing defects that cause leaks, Malarkey, at its sole election, shall either (a) replace such materials; or (b) repair any water leaks up to the maximum liability described below; or (c) provide a refund up to the maximum liability described below. The maximum liability for cost of repairs or for any refund shall be as follows: During the first year following completion of application, the maximum liability shall be equal to the original cost of the defective Malarkey Roofing Products, excluding installation costs or costs of flashings, metal work or other materials supplied or manufactured by others. After the first full year, and during each subsequent year, the maximum liability shall be equal to the original cost of the defective Malarkey Roofing Products, excluding the items described in the preceding sentence, multiplied by the number of full years of the warranty period remaining and divided by ten (10). In any event claimed, all costs previously incurred by Malarkey for repair or replacement of Malarkey Roofing Products or for any refund under this warranty shall be deducted in determining the maximum liability.

In the event that Malarkey elects not to replace any defective Malarkey Roofing Products, or provide repair, or repairs are not commercially practicable or cannot be timely made, Malarkey shall have the right to elect to refund the owner an amount equal to the maximum liability as determined in accordance with the preceding paragraph.

In order to obtain any remedy under this limited warranty, the owner must notify Malarkey of any defect within 72 hours following owner's first discovery of such defect, the owner must confirm such notice in writing and the written notice must be received by Malarkey within ten (10) days of the date of discovery. The owner shall submit with such notice proof of date of purchase and completion of proper application in order to provide Malarkey an opportunity to investigate the claim and examine the materials claimed to be defective. All notices shall be given to Malarkey Roofing Products, P.O. Box 17217, Portland, Oregon 97217. After receipt of written notice, including all of the required information described above, Malarkey shall then inspect the claimed defect before determining whether it will replace, repair or refund. The owner's failure to give notice as required in this paragraph or to permit inspection or sampling of the Malarkey Roofing Products shall constitute a waiver by the owner of all warranty claims. Malarkey reserves the right to discontinue or modify any of its products and shall not be liable to the owner as a result of any such discontinuance or modification.
