Electroacupuncture is an advanced form of traditional acupuncture which shares many similarities to its historical cousin. As with traditional acupuncture, needles are inserted on specific points along the body. These needles are then energized using small amounts of controlled electrical currents. Voltage applied can be fine-tuned and calibrated in order to best address a patient's specific health issues. Originally published in 1980, *Electro Acupuncture for Dentistry* also titled *EAV Special* has become the classic manual for holistic health practitioners, doctors, and dentists integrating electroacupuncture into their practices to help their patients. Author Dr. John K. Char, world-renowned as a pioneer in the holistic healing arts, was one of the few dentists in the State of Hawaii to fully integrate alternative and homeopathic medicine in an everyday dental practice. Whether you are an interested layperson, dentist, or holistic health practitioner, this book discusses how to use EAV techniques to help patients with dental pain, discomfort, swelling, and much more. Dr. Char is a homeopathic physician, dentist, licensed massage therapist, and doctor of natural science. He mentored in Germany with the late Dr. Reinhold Voll and has trained hundreds of integrative health practitioners from around the world. Dr. Char is the head of the Dr. John K.
