Opium State And Society Chinas Narco Economy And The Guomindang 1924 1937

Robert Marks

Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937:

Opium, State, and Society Edward R. Slack, 2000-10-01 Surprisingly little has been written about the complicated relationship between opium and China and its people *Opium State and Society* goes a long way toward illuminating this relationship in the Republican period when all levels of Chinese society from peasants to school teachers merchants warlords and ministers of finance were physically or economically dependent on the drug The centerpiece of this study is an investigation of the symbiotic relationship that evolved between opium and the Guomintang's rise to power in the years 1924 1937 Despite attempts to find other sources of revenue the Guomintang became increasingly addicted to the tax monies derived from the drug trade prior to the war with Japan Based solidly on a previously untapped reservoir of archival sources from the People's Republic and Taiwan this work critically analyzes the complex realities of a government policy that vacillated between prohibition and legalization and ultimately sought to curtail the cultivation sale and consumption of opium through a government monopoly

The Globalization of Confucius and Confucianism Klaus Mühlhahn, Nathalie van Looy, 2012 The popularity of Confucianism is on the rise not only in China but also internationally Confucian values are praised as the universal way especially in the face of current political social and economic crises The philosopher's legacy has now endured for over 2 500 years and Confucian ideas have gained recognition as an Eastern alternative to Western concepts This return to China's very own tradition and values can be seen as symbolizing China's new self confidence This volume focuses on the resurgence of Confucianism in order to examine the role played by Confucian ideas in the present and the past as well as the potential future form of a new Confucian culture The articles range from the perception of Confucianism in Europe at the time of the Enlightenment to Neo Confucian debates and approaches Series Chinese History and Society Berliner China Hefte Vol 41

Cocaine, Death Squads, and the War on Terror Oliver Villar, Drew Cottle, 2011-11-01 Since the late 1990s the United States has funneled billions of dollars in aid to Colombia ostensibly to combat the illicit drug trade and State Department designated terrorist groups The result has been a spiral of violence that continues to take lives and destabilize Colombian society This book asks an obvious question are the official reasons given for the wars on drugs and terror in Colombia plausible or are there other deeper factors at work Scholars Villar and Cottle suggest that the answers lie in a close examination of the cocaine trade particularly its class dimensions Their analysis reveals that this trade has fueled extensive economic growth and led to the development of a narco state under the control of a narco bourgeoisie which is not interested in eradicating cocaine but in gaining a monopoly over its production The principal target of this effort is the Revolutionary Armed Forces of Colombia FARC who challenge that monopoly as well as the very existence of the Colombian state Meanwhile U S business interests likewise gain from the cocaine trade and seek to maintain a dominant imperialist relationship with their most important client state in Latin America Suffering the brutal consequences as always are the peasants and workers of Colombia This revelatory book punctures the official propaganda

and shows the class war underpinning the politics of the Colombian cocaine trade

Asian Culture, Diplomacy and Foreign Relations, Volume I, 2022-01-10 Considering the important impact of Asian cultures on international relations we conducted a multifaceted analysis and authentic summary of the Asian experiences and patterns of dealing with foreign relations from an Asian insider's perspective aiming to find out where the diverging or converging diplomatic ways of the West and the East came from and what the positive diplomatic values and practices originated from Asian traditions are Focusing on China volume one thoroughly analyses the nature political culture and mechanism of the tribute system from ancient time to the modern era within and beyond China Volume two studies the culture and diplomacy of various individual Asian nations except for China both in general and in particular cases with an interdisciplinary approach

Hygienic Modernity Ruth Rogaski, 2004 Placing meanings of health and disease at the center of modern Chinese consciousness Ruth Rogaski reveals how hygiene became a crucial element in the formulation of Chinese modernity in the nineteenth and twentieth centuries Rogaski focuses on multiple manifestations across time of a single Chinese concept weisheng which has been rendered into English as hygiene sanitary health or public health as it emerged in the complex treaty port environment of Tianjin Before the late nineteenth century weisheng was associated with diverse regimens of diet meditation and self medication Hygienic Modernity reveals how meanings of weisheng with the arrival of violent imperialism shifted from Chinese cosmology to encompass such ideas as national sovereignty laboratory knowledge the cleanliness of bodies and the fitness of races categories in which the Chinese were often deemed lacking by foreign observers and Chinese elites alike

Moral Nation Miriam Kingsberg, 2013-12-07 This trailblazing study examines the history of narcotics in Japan to explain the development of global criteria for political legitimacy in nations and empires in the nineteenth and twentieth centuries Japan underwent three distinct crises of sovereignty in its modern history in the 1890s during the interwar period and in the 1950s Each crisis provoked successively escalating crusades against opium and other drugs in which moral entrepreneurs bureaucrats cultural producers merchants law enforcement scientists and doctors among others focused on drug use as a means of distinguishing between populations fit and unfit for self rule Moral Nation traces the instrumental role of ideologies about narcotics in the country's efforts to reestablish its legitimacy as a nation and empire As Kingsberg demonstrates Japan's growing status as an Asian power and a moral nation expanded the notion of civilization from an exclusively Western value to a universal one Scholars and students of Japanese history Asian studies world history and global studies will gain an in depth understanding of how Japan's experience with narcotics influenced global standards for sovereignty and shifted the aim of nation building making it no longer a strictly political activity but also a moral obligation to society

The Politics of Controlling Organized Crime in Greater China Sonny Shiu-Hing Lo, 2015-12-14 In China the central government has the political will to control organized crime which is seen as a national security threat The crux of the problem is how to control local governments that have demonstrated lax enforcement without sufficient regulation from the provincial

governments The development of prostitution underground gambling and narcotics production has become so serious that the central government has to rely on anti crime campaigns to combat these three evils This book explores the specific role of government institutions and agencies notably the police in controlling organised and cross border crime in Greater China Drawing heavily on original empirical data it compares the both the states of the People s Republic of China and Taiwan as well as city states Hong Kong and Macao This region has become increasingly economically integrated and human interactions have been enhanced through improved trade relations tourism and increased individual freedom The book argues that the regime capacity of crime control across Greater China has been expanded through regional and international police cooperation as well as anti crime campaigns It suggests that a strong central state in China is necessary to rein in the local states and to prevent the risk of deteriorating into a political criminal nexus Focusing on regime capacity in crime control regime autonomy from crime groups and regime legitimacy in the fight against organized crime this thought provoking book will be of great interest to students and scholars of Chinese politics and criminology more broadly

Modern China Bruce A. Elleman, S. C. M. Paine, 2019-02-18 Now in a fully updated edition this accessible text provides a balanced history of modern China in a global context Through years of living and research in China Taiwan Japan and Russia the authors are deeply qualified to understand China s internal dynamics as well as its foreign relations over centuries Arguing that modern Chinese history cannot be understood without a deep appreciation of the outside factors that have influenced the country the authors focus on China s near neighbors especially Japan and Russia They also emphasize the tragic role of almost endless warfare throughout Chinese history Providing a unique comparative approach the authors bridge the cultural divide separating Chinese history from Western readers trying to understand it Specifically geared to the teaching requirements of the semester system the book is divided into four parts and a total of twenty eight chapters corresponding either to two chapters per week in a fourteen week semester or one chapter per week in a two semester course

The Beijing Young Women's Christian Association, 1927-1937 Aihua Zhang, 2021-11-16 By exploring the interplay among gender religion and modernity this book exposes the part Chinese Christian women played in China s quest for a strong nation in general and in Republican Beijing s modern transformation in particular Focusing on the Beijing Young Women s Christian Association YWCA the author examines how the Association guided by the Christian tenet to serve not to be served tailored its Western models and devised new programs to meet the city s demands Its enterprises ranged from providing women and child oriented facilities to promoting constructive recreational activities and from reforming home and family to improving public health Through an analysis of these endeavors the author argues that the Chinese YW women s contribution to the city s modernity was a creative embodiment of the then socially targeted missionary movement known as the Social Gospel In the process they demonstrated their distinctive new ideals of womanhood featuring practicality social service and broad cooperation These qualities set them apart from both traditional women and other brands of the New

Woman While criticized as trivial their efforts however pioneered modern social service in China and complemented what municipal authorities and other progressive groups undertook to modernize the city

From Cotton Mill to Business Empire Elisabeth Köll, 2020-08-25 The demise of state owned enterprises the transformation of collectives into shareholding cooperatives and the creation of investment opportunities through stock markets indicate China's movement from a socialist state controlled economy toward a socialist market economy Yet contrary to high expectations that China's new enterprises will become like corporations in capitalist countries management often remains under the control of the onetime bureaucrats who ran the socialist enterprises The concepts definitions and interpretations of property rights corporate structures and business practices in contemporary China have historical institutional and cultural roots In tracing the development under founder Zhang Jian 1853-1926 and his successors of the Dasheng Cotton Mill in Nantong into a business group encompassing among other concerns cotton flour and oil mills land development companies and shipping firms the author documents the growth of regional enterprises as local business empires from the 1890s until the foundation of the People's Republic in 1949 She focuses on the legal and managerial evolution of limited liability firms in China particularly issues of control and accountability the introduction and management of industrial work in the countryside and the integration and interdependency of local national and international markets in Republican China

China's War on Smuggling Philip Thai, 2018-06-12 Smuggling along the Chinese coast has been a thorn in the side of many regimes From opium and weapons concealed aboard foreign steamships in the Qing dynasty to nylon stockings and wristwatches trafficked in the People's Republic contests between state and smuggler have exerted a surprising but crucial influence on the political economy of modern China Seeking to consolidate domestic authority and confront foreign challenges states introduced tighter regulations higher taxes and harsher enforcement These interventions sparked widespread defiance triggering further coercive measures Smuggling simultaneously threatened the state's power while inviting repression that strengthened its authority Philip Thai chronicles the vicissitudes of smuggling in modern China its practice suppression and significance to demonstrate the intimate link between illicit coastal trade and the amplification of state power China's War on Smuggling shows that the fight against smuggling was not a simple law enforcement problem but rather an impetus to centralize authority and expand economic controls The smuggling epidemic gave Chinese states pretext to define legal and illegal behavior and the resulting constraints on consumption and movement remade everyday life for individuals merchants and communities Drawing from varied sources such as legal cases customs records and popular press reports and including diverse perspectives from political leaders frontline enforcers organized traffickers and petty runners Thai uncovers how different regimes policed maritime trade and the unintended consequences their campaigns unleashed China's War on Smuggling traces how defiance and repression redefined state power offering new insights into modern Chinese social legal and economic history

The League of Nations and the East Asian Imperial Order, 1920-1946 Harumi

Goto-Shibata,2020-07-02 Well grounded on abundant Japanese language sources which have been underused this book uncovers the League of Nations works in East Asia in the inter war period By researching the field of social and other technical issues namely the trade in narcotics the trafficking of women and the work in terms of improving health provision and providing economic advice to Nationalist China it not only examines their long term impacts on the international relations in the region but also argues that the League s works challenged the existing imperial order of East and Southeast Asia The book offers a key read for academics and students of international history and international relations and others studying Japan or East Asia in the twentieth century **China in War and Revolution, 1895-1949** Peter

Zarrow,2006-06-07 Providing historical insights essential to the understanding of contemporary China this text presents a nation s story of trauma and growth during the early twentieth century It explains how China s defeat by Japan in 1895 prompted an explosion of radical reform proposals and the beginning of elite Chinese disillusionment with the Qing government The book explores how this event also prompted five decades of efforts to strengthen the state and the nation democratize the political system and build a fairer and more unified society Peter Zarrow weaves narrative together with thematic chapters that pause to address in depth themes central to China s transformation While the book proceeds chronologically the chapters in each part examine particular aspects of these decades in a more focused way borrowing from methodologies of the social sciences cultural studies and empirical historicism Essential reading for both students and instructors alike it draws a picture of the personalities ideas and processes by which a modern state was created out of the violence and trauma of these decades **China** Robert B. Marks,2011-12-16 This deeply informed and beautifully written

book provides a comprehensive and comprehensible history of China from prehistory to the present Focusing on the interaction of humans and their environment Robert B Marks traces changes in the physical and cultural world that is home to a quarter of humankind Through both word and image this work illuminates the chaos and paradox inherent in China s environmental narrative demonstrating how historically sustainable practices can in fact be profoundly ecologically unsound The author also reevaluates China s traditional heroic storyline highlighting the marginalization of nature that followed the spread of Chinese civilization while examining the development of a distinctly Chinese way of relating to and altering the environment Unmatched in his ability to synthesize a complex subject clearly and cogently Marks has written an accessible yet nuanced history for any reader interested in China past or present Indeed he argues successfully that all of humanity has a stake in China s environmental future **Killer High** Peter Andreas,2022-01-17 In Killer High Peter Andreas tells the story

of war from antiquity to the modern age through the lens of six psychoactive drugs alcohol tobacco caffeine opium amphetamines and cocaine Armed conflict has become progressively more drugged with the global spread of these mind altering substances From ancient brews and battles to meth and modern warfare drugs and war have grown up together and become addicted to each other By looking back not just years and decades but centuries Andreas reveals that the drugs

conflict nexus is actually an old story and that powerful states have been its biggest beneficiaries *The Origins of the Modern World* Robert Marks, 2006-12-07 This clearly written and engrossing book presents a global narrative of the origins of the modern world from 1400 to the present Unlike most studies which assume that the rise of the West is the story of the coming of the modern world this history drawing upon new scholarship on Asia Africa and the New World constructs a story in which those parts of the world play major roles Robert B Marks defines the modern world as one marked by industry the nation state interstate warfare a large and growing gap between the wealthiest and poorest parts of the world and an escape from the biological old regime He explains its origins by emphasizing contingencies such as the conquest of the New World the broad comparability of the most advanced regions in China India and Europe the reasons why England was able to escape from common ecological constraints facing all of those regions by the 18th century and a conjuncture of human and natural forces that solidified a gap between the industrialized and non industrialized parts of the world Now in a new edition that brings the saga of the modern world to the present the book considers how and why the United States emerged as a world power in the twentieth century and became the sole superpower by the twenty first century Once again arguing that the rise of the United States to global hegemon was contingent not inevitable Marks also points to the resurgence of Asia and the vastly changed relationship of humans to the environment that may in the long run overshadow any political and economic milestones of the past hundred years E mail textbooks rowman com for a username and password to access the instructor site *The Sinosphere and Beyond* Joan Judge, Joachim Kurtz, Ori Sela, Dan Shao, Hugh Shapiro, 2024-07-22 The history of East Asia can be most productively studied through a transnational translingual and transcultural approach to the region In *The Sinosphere and Beyond* twenty six leading and emerging scholars use such approaches in rich clusters of essays on Historiography Sino Japanese Encounters Law and Justice Politics Art Literature and Translation Each essay builds on the legacy of Joshua Fogel whose scholarship defined the contours of the Sinosphere in the Western world and beyond The collection will be of interest to scholars and students with specific research concerns within these broader rubrics from the towering progenitors of Japanese Sinology to gendered diplomatic and cultural dimensions of Sino Japanese encounters from Sinitic poetry to legal culture and revolutionary life from art commerce and levels of literary expression to the quandaries of translation In addition to offering a broad range of case studies the volume is testimony to the methodological importance of a dynamic intra and transregional approach for an understanding of the layered history of East Asia **The Politics of Cross-border Crime in Greater China** Shiu Hing Lo, 2009 Organized crime has been on the rise in the Greater China region since the People s Republic opened up its economy and society in the mid 1980s This book provides a detailed and comprehensive study of how the state at the central and local levels has responded to the changing patterns and activities of cross border crime in Greater China **American Radio in China** Michael A. Krysko, 2011-04-12 Interwar era efforts to expand US radio into China floundered in the face of flawed US policies and approaches Situated at the

intersection of media studies technology studies and US foreign relations this study frames the ill fated radio initiatives as symptomatic of an increasingly troubled US East Asian relationship before the Pacific War **Opium's Orphans** P. E. Caquet, 2022-07-06 Upending all we know about the war on drugs a history of the anti narcotics movement s origins evolution and questionable effectiveness Opium s Orphans is the first full history of drug prohibition and the war on drugs A no holds barred but balanced account it shows that drug suppression was born of historical accident not rational design The war on drugs did not originate in Europe or the United States and even less with President Nixon but in China Two Opium Wars followed by Western attempts to atone for them gave birth to an anti narcotics order that has come to span the globe But has the war on drugs succeeded As opioid deaths and cartel violence run rampant contestation becomes more vocal and marijuana is slated for legalization Opium s Orphans proposes that it is time to go back to the drawing board

Unveiling the Magic of Words: A Report on "**Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 has opened up a world of possibilities. Downloading Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without

any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 Books

What is a Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert

PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Opium State And Society Chinas Narco Economy And The Guomintang 1924 1937 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
