Operation Wayside And Other Revival Sermons:

Operation Wayside Angel Martinez,1966 Preaching and Culture in Latino Congregations Kenneth G. Davis,Jorge L. Presmanes,2000 A collection of articles about preaching in Latino assemblies *One Hundred Revival Sermons and Outlines* ,1906 **The Christian Work and the Evangelist** ,1906 **Christian Advocate** ,1915 *Gleason's Pictorial Drawing-room Companion* Maturia Murray Ballou,1857 **The Japan Daily Mail** ,1907 *Michigan Christian Advocate* ,1893 North-western Christian Advocate ,1897 Open Friendship in a Closed Society Peter Slade,2009-10-09 Peter Slade examines Mission Mississippi's model of racial reconciliation which stresses one on one individual friendships among religious people of different races and considers whether it can effectively address the issue of social justice Slade argues that Mission Mississippi's goal of changing Mississippi one relationship at a time is both a pragmatic strategy and a theological statement of hope for social and economic change in Mississippi *Reforging the White Republic* Edward J. Blum,2005 During Reconstruction former abolitionists in the North had a golden opportunity to pursue true racial justice and permanent reform in America But why after the sacrifice made by thousands of Civil War patriots to arrive at this juncture did the moment slip away leaving many whites throughout the North and South more racist than before Edward J Blum takes a fresh look at this question focusing on the vital role that religion played in reunifying northern and southern whites into a racially segregated society He tells the fascinating story of how northern Protestantism once the catalyst for racial egalitarianism promoted the image of a white republic that conflated whiteness godliness and nationalism Blum explores a wide array of venues and media to document how figures from Harriet Beecher Stowe to Frederick Douglass either supported or tried to resist the retreat from Reconstruction Magazines personal diaries sermons hymns travelogues Supreme Court opinions and political caricatures illustrate religious ideologies at play in virtually every aspects of the larger culture The myth of the white republic helped mend the North South rift while lending moral purpose to the government's imperialist ambitions and by 1900 the United States felt divinely sanctioned in subjugating peoples of color at home and abroad A blend of history and social science *Reforging the White Republic* offers a surprising perspective on the forces of religion as well as nationalism and imperialism at a critical point in American history **American Publishers' Circular and Literary Gazette** ,1856 *The Epworth Herald* ,1897 **The National Cyclopaedia of American Biography** ,1907 **Catalogue of Copyright Entries** ,1911 Christian Register and Boston Observer ,1929 *The Independent* ,1889 **The Friend** ,1877 **Christian Budget and News of the Day** ,1891 The Christian ,1875
