Operations Management William Stevenson 10th Edition:

Operations Management w Student OM Vid Srs DVD William Stevenson, 2008-11-19 The Tenth Edition of Operations Management features the latest concepts and applications while preserving the core concepts that have made the text a market leader. Stevenson's careful explanations and approachable format supports students in understanding the important operations management concepts as well as applying tools and methods. By providing detailed examples, solved problems, questions, and cases, students learn by doing, and the Tenth Edition continues to offer more support for doing Operations than any other.

Operations Management William J. Stevenson, 2005 Aims to survey the field of operations in both services and manufacturing. This edition offers coverage of operations management with examples. Its coverage flows from the overall strategic issues of designing products and services and making major capacity and location decisions through the operating processes and control systems.

EBOOK: Operations Management in the Supply Chain: Decisions and Cases SCHROEDER, 2013-02-16 EBOOK Operations Management in the Supply Chain Decisions and Cases

Fundamentals of Manufacturing, Third Edition Philip D. Rufe, 2013 Fundamentals of Manufacturing Third Edition provides a structured review of the fundamentals of manufacturing for individuals planning to take SME S Certified Manufacturing Technologist CMfgT or Certified Manufacturing Engineer CMfgE certification exams. This book has been updated according to the most recent Body of Knowledge published by the Certification Oversight and Appeals Committee of the Society of Manufacturing Engineers. While the objective of this book is to prepare for the certification process, it is a primary source of information for individuals interested in learning fundamental manufacturing concepts and practices. This book is a valuable resource for anyone with limited manufacturing experience or training. Instructor slides and the Fundamentals of Manufacturing Workbook are available to complement course instruction and exam preparation.
