

Driving on Public Roads

CAUTION: Always observe local road traffic regulations when driving on public roads.

Prevent collisions between other road users and slow moving tractors with attachments on public roads. Frequently check for traffic from the rear, especially in turns, and use hand signals or turn signal lights.

Use headlights, flashing warning lights, and turn signals day and night. Follow local regulations for equipment lighting and marking. Keep lighting and marking visible and in good working order. Replace or repair lighting and marking that has been damaged or lost. An implement safety lighting kit is available from your John Deere dealer.

While driving tractor and loader, allow for additional length of loader on tractor while turning.
