Speaking Bipolar's 30 Days of Positivity was first created as an email course to help readers get through the emotional chaos of the last months of the year. Through motivating stories, Scott Ninneman, creator of Speaking Bipolar and living with bipolar 1 disorder, gave the participants a positive theme to focus on each day and how to live successfully with bipolar. After the first readers completed the course, they all said the same thing: "This needs to be a book." So here it is: the original course, newly edited and formatted, and including all the additional reading content. Each day has an uplifting message and a journal prompt to think deeper about the day's topic. The end of every lesson also includes a creative writing prompt which you can use as a second journal prompt.
