Oracle E-business Suite R12 Supply Chain Management Muneeb A. Siddiqui, 2010 This is a practical tutorial written in a clear and easy to understand style taking the reader through relevant real world examples that can be put into practice immediately It contains detailed instructions and plenty of screenshots to make it easier for readers to understand Oracle E Business Suite and work on it effectively This book is aimed at all those who are working on Oracle E Business Suite such as administrators and consultants End users who want to explore Oracle supply chain management will also find the book extremely useful No prior knowledge of Oracle EBS SCM is required to get going with this book *Oracle E-Business Suite Manufacturing & Supply Chain Management* Bastin Gerald, Nigel King, Dan Natchek, 2002-01-08 Implement Oracle's Internet based Manufacturing and Supply Chain Management products using this Oracle authorized resource This comprehensive guide explains how to implement the planning engineering pricing order fulfillment and inventory management components of Oracle Manufacturing and Supply Chain and develop and deliver goods and services faster cheaper and more efficiently than your competitors *Oracle E-Business Suite R12. 1 Inventory Essentials* N. S. Thind, Jerome J., 2014-09-30 The Oracle E Business Suite 12 Supply Chain Certified Implementation Specialist Oracle Inventory certification indicates a functional foundation in E Business Essentials including skills such as how to access and navigate within the R12 E Business Suite how to enter data retrieve information in the form of a query and access online help Through preparation for the exam you will also gain a basic understanding of the features functions and benefits of Oracle Inventory You will be able to add items enable lot control enable serial control enable dual unit of measure control perform inventory transfers perform inventory replenishment perform a cycle view on hand quantities create reservations and setup material statuses Clearing the Certification will not automatically lead you to a job However a Certification with some project experience will certainly open a lot of doors for you The consultants who will benefit the most from a certification are the ones with typically less than 2 year's project experience This is not to say that consultants with higher experience will not benefit but at that level having a certification matters much less So if you have little or no Oracle Inventory experience you should get yourself certified get some project experience and then the whole of the Oracle applications World is open for you to explore Helping you with the first step on your ladder to success is this book **Oracle E-Business Suite 12 Supply Chain Certified Implementation Specialist: Oracle Order Management** K. Crawford, 2013-01-02 Some unique features of this book There is NO Other book in the market for the Oracle Order Management Certification exam The author has himself cleared the exam All questions are multiple choice format similar the questions you will get in the actual exam 200 authentic questions testing the exact same concepts that will be tested in Your exam Clearing the Oracle Order Management Certification will not automatically lead you to a job However a Certification with some project experience will certainly open a lot of doors for you The consultants who will benefit the most from a certification are the ones with typically less than 2 year's project experience

This is not to say that consultants with higher experience will not benefit but at that level having a certification matters much less So if you have little or no Oracle Order Managment experience you should get yourself certified get some project experience and then the whole of the Oracle applications World is open for you to explore Helping you with the first step on you ladder to success is this book
