During the 2014-2015 Ebola Outbreak, 2017-07-26

The 2014 2015 Ebola epidemic in western Africa was the longest and most deadly Ebola epidemic in history resulting in 28 616 cases and 11 310 deaths in Guinea Liberia and Sierra Leone The Ebola virus has been known since 1976 when two separate outbreaks were identified in the Democratic Republic of Congo then Zaire and South Sudan then Sudan However because all Ebola outbreaks prior to that in West Africa in 2014 2015 were relatively isolated and of short duration little was known about how to best manage patients to improve survival and there were no approved therapeutics or vaccines When the World Health Organization declared the 2014 2015 epidemic a public health emergency of international concern in August 2014 several teams began conducting formal clinical trials in the Ebola affected countries during the outbreak Integrating Clinical Research into Epidemic Response The Ebola Experience assesses the value of the clinical trials held during the 2014 2015 epidemic and makes recommendations about how the conduct of trials could be improved in the context of a future international emerging or re emerging infectious disease events

A History of the Present Ashwin Desai, Goolam Vahed, 2019-09-12

Through the long 20th century Indian South Africans lived under the whip

of settler colonialism and white minority rule which saw the passing of a slew of legislation that circumscribed their freedom of movement threatened repatriation and denied them citizenship all the while herding them into racially segregated townships This volume chronicles the broad outlines of this history Taking the story into the present it provides an analysis of how Indian South Africans have responded to changes wrought by the remarkable collapse of apartheid and the holding of the first democratic elections in 1994 Drawing upon archival records in depth interviews and ethnography this study examines the ways in which Indian South Africans define themselves and the world around them and how they are defined by others It tells of the incredible journey of Indian South Africans many of whom are fourth and fifth generation towards being recognized as citizens in the land of their birth and how while often attracted by and seeking to explore their roots in India they continue to dig deeper roots in African soil
