Postgraduate Haematology A. Victor Hoffbrand, Douglas R. Higgs, David M. Keeling, Atul B. Mehta, 2016-01-19 This comprehensive textbook is the key resource for postgraduate trainees or residents in haematology. Now in its seventh edition, the book continues to provide everything the reader needs for examination preparation or clinical practice. Postgraduate Haematology discusses up to date knowledge of the pathogenesis, clinical and laboratory features, management and treatment of a wide range of blood and bone marrow disorders in a concise and user friendly style. It presents essential information for everyday use and teaching as well as more detailed scientific background for more in depth reading accompanied by thoughtful referencing. The clearly illustrated full colour figures and charts demonstrate key facts and are supplemented by numerous high quality photomicrographs of blood cells and tissues. Over 51 chapters from international authors including the WHO Classification of Haematopoietic and Lymphoid Tissues. Postgraduate Haematology provides an expert review of malignant and non malignant haematology. New sections reflect advances in the specialty e.g. knowledge gained from new generation sequencing, latest anticoagulant drugs, diagnostic laboratory tools and treatment strategies. Superb four color illustrations and photomicrographs of blood cells and tissues throughout. Includes algorithms to aid with decision making for treatment. Companion website featuring figures and tables from the book. Arm yourself with the textbook of choice for trainees and practitioners in haematology.

Postgraduate Vascular Surgery: A Candidate's Guide To The FrCs And Board Exams (Second Edition) Vish Bhattacharya, Gerard Stansby, 2018-06-04 Featuring up to date information on current topics in vascular surgery, the second edition of Postgraduate Vascular Surgery is aimed at surgical trainees to help them prepare for the FRCS intercollegiate and Board exams. With chapters written by experts in their respective fields, the book contains concise information on surgical procedures, diagnosis and management of vascular conditions. Each section includes bullet point summaries, relevant clinical trials and references for further research, making it the ideal resource for study. This book will also help candidates preparing for the European and Australian board exams. Practicing surgeons will also find this title useful for updating their knowledge.

Investigating Corruption and White-collar Crime in South African Higher Education Bethuel Sibongiseni Ngcamu, 2025-10-16 Using an interpretivist approach, this qualitative volume interrogates instances of corruption and white collar crime prevalent in South African higher education institutions and suggests pathways for the proactive detection and prevention of corrupt practices. Contextualizing the author's practical experiences gained in the higher education sector over the past two decades, this book employs an ethnographical method to explore the complexity of university systems, structures and functions that make South Africa's formerly disadvantaged universities more susceptible to corruption. In the midst of highly contested, divisive and highly politicized ways of reporting corruption in the media, chapters provide critical analyses guided by scientific approaches, robust data sets and qualitative face to face interviews to underpin the reliability of proposed policy amendments intended to detect and prevent corruption and white collar crime as well as the

suggested closure of loop holes that make the sector vulnerable to and known for a high level of criminality Making a substantial contribution to broader academic debate around corruption and university management internationally this book will be of interest to researchers and postgraduate students in the field of higher education higher education management and administration and education policy and politics Policy makers in both the Global South and North are also likely to benefit from this book Enterprise ,2006
