PROS

- An early acceptance letter means the stressful process is over sooner!
- Schools know your commitment, so your chances can be (slightly) increased.

CONS

- An acceptance is binding, and you must withdraw applications from other schools.
- Beware of senioritis: don't let your grades slip just because you got in early!

DO THIS IF...

You have one dream school

PROS

- You'll get an early decision, but it's not binding
- You don't need to withdraw your other applications if you're accepted

CONS

- You still have to prepare your other applications, just in case—the Regular Decision deadline falls right after decisions are mailed out.

DO THIS IF...

You love one particular school, but still want to keep your options open

PROS

- Later deadlines mean you have longer to perfect your applications
- You aren't committed to any school, so it's perfect if you want to keep your options open

CONS

- A large, general applicant pool means stiff competition
- You won't receive a decision until later, so you'll be on pins and needles for longer!

DO THIS IF...

You like a lot of schools, and want to weigh all of your options
