The Economies of Queer Inclusion S.M. Rodriguez, 2018-12-11 The Anti Homosexuality dubbed Kill the Gays Bill of 2009 propelled Uganda to the forefront of global media In its initial manifestation the Bill threatened to penalize aggravated homosexuality with the death penalty The media attention earned by the proposed legislation opened avenues for transnational cooperation and communication between US based Human and LGBTI Rights organizations and kuchu or LGBTI Ugandans The Economies of Queer Inclusion focuses on this transnational relationship and the complications that arise when international currency and professionalization transform grassroots organizing This book excavates how transnational advocacy which aims to empower LGBTI rights activism actually restructures and in some cases limits local movements With interview and ethnographic data with activists in Kampala Uganda and New York City the research highlights how the introduction of international attention and funding causes organizations to restructure their

movement goals and strategies in order to best attract desired partners The funder funded relationship causes both local discord and transnational divestment from alternative forms of organizing The research presents a compelling counter narrative that exposes that the development of this economy did not occur because of the Anti Homosexuality but rather inspired the legislation and then peaked in the five years following As an engaged ethnographic look into a social justice movement the text explores organizational structures and activist strategies in order to critique and strengthen future mobilization Accordingly the text applies various sociological and critical race theories to provide an incisive and in depth exploration of a powerful political moment Divine Collision Jim Gash,2025-05-01 Discover the compelling true story of a former L A lawyer and a Ugandan boy falsely accused of murder two courageous friends brought together by God on a mission to reform criminal justice Jim Gash former Los Angeles lawyer and current president of Pepperdine University tells the amazing story of how after a series of God orchestrated events he finds himself in the heart of Africa defending a courageous Ugandan boy languishing in prison and wrongfully accused of two separate murders Ultimately their unlikely friendship and unrelenting persistence reforms Uganda s criminal justice system leaving a lasting impact on hundreds of thousands of lives and revealing a relationship that supersedes circumstance culture and the walls we often hide behind

Abyssinian Chronicles Moses Isegawa,2011-04-13 Every once in a while there emerges a literary voice with the power and urgency to immerse readers deep within a previously invisible culture From a young African writer who has already earned comparisons to Salman Rushdie and Gabriel Garcia Marquez comes this masterful saga of life in 20th century Uganda The teller of this panoramic tale is Mugezi a quick witted sharp eyed man whose life encompasses the traditional and the modern the peaceful and the insanely violent the despotic and the democratic Born in a rural community in the early 1960s he is raised by his grandfather a deposed clan chief and his great aunt or grandmother after his parents immigrate to the capital city of Kampala At age nine he leaves behind his secure life in the village to join his parents and siblings in the city where he is first exposed to the despotism and hardship that he will contend with in the years to come The nightmare reign of Idi Amin and its chaotic aftermath are the backdrop to Mugezi s troubled coming of age his constant struggle with his harsh mother and austere father his years spent as caregiver to his parents ever growing brood of children his sojourn in a horrifically repressive Catholic seminary He goes to work as a high school teacher becomes enmeshed in a tragic romance finds himself drawn into a dubious potentially dangerous alliance with the military after Amin s fall and witnesses the widespread ravages of the AIDS virus Finally sickened by personal loss and national tragedy he manages to immigrate to Amsterdam The details of Mugezi s life provide a foundation for Isegawa s brilliant and profoundly illuminating portrait of the contemporary postcolonial African experience Filled with extraordinary characters animated by a wicked sense of humor and guided by an intense yet clear eyed compassion Abyssinian Chronicles is our introduction to a superlative new writer *An African Odyssey* Angus Hyslop,2007-06-01 EXCITING ADVENTURE HUNTED BY POACHERS CAPTURED BY ARMED

REBELS RAPE REVENGE SLAVERY SUSPENSE MURDER WHEN A YOUNG COUPLE TRAVEL OVERLAND ACROSS AFRICA TO ENGLAND A STORY BASED ON ACTUAL EVENTS THAT YOU WILL NEVER EVER FORGET *Exploded View* Sam McPheeters, 2016-10-18 It's 2050 and LAPD Detective Terri Pastuzka has drawn the short straw with her first assignment of the new decade. Someone has executed one of the city's countless immigrants and no one besides the usual besieged advocacy groups seems to much care. Even Terri herself is already looking ahead to her next case before an unexpected development reveals there's far more to this corpse than meets the eye. And a lot already meets the eye. In a city immersed in augmented reality, the LAPD has their own superior network of high-tech eyewear: PanOptics, the ultimate panopticon, allowing Terri instant access to files and suspects and literal insertion into the crime scene using security footage captured from every angle the day the murder occurred. What started as a single homicide turns into a string of unsolved murders that tie together in frightening ways, leading Terri down a rabbit hole through Los Angeles's conflicting realities, augmented and virtual, fantastically rumored and harrowingly true, towards an impossible conclusion. *Exploded View* is the story of a city frozen in crisis, haunted by hardship and overwhelmed by refugees, where technology gives everyday citizens the power to digitally reshape news in real time and where hard video evidence is impotent against the sheer unrelenting power of belief. After all, when anyone can forge their own version of the truth, what use is any other reality? Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction, space opera, time travel, hard SF, alien invasion, near future dystopia, fantasy, grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history, and horror, zombies, vampires, and the occult and supernatural and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award winner, we are committed to publishing quality books from a diverse group of authors. *Moon Knight* David Pepose, 2024-02-28 Collects *Moon Knight: City of the Dead* 2023 1-5 *Moon Knight*'s most harrowing adventure yet. When death cultists attack a young runaway, he is left barely alive outside the Midnight Mission. But Marc Spector made a vow long ago to defend the travelers of the night, and as long as a spark of life remains, his mission isn't over. Follow *Moon Knight* as he journeys far beyond the land of the living and battles across the mind-bending underworld known as the City of the Dead. There, he must grapple with his past when he turns to an unlikely source for aid: Layla El Faouly, AKA the Scarlet Scarab. But when Marc is faced with a murderer's row of dead super-villains whom he helped put in the ground, can even the Fist of Khonshu defy the odds long enough to survive? *The Christmas Bundle: Four Full-length Christmas-themed Stories From Different Times* R T Green, 2023-11-30 This is *The Christmas Bundle 2023*, four full-length Christmas-themed stories from different times.
