**The Dark**

Ellen Datlow,2004-09-01 Ghosts are among us On the other side of death the spirits of departed souls have been part of human myths and beliefs as long as anyone can recall Some of the most powerful and affecting images in fiction are of ghosts spirits visitations from beyond the veil of death Ellen Datlow an editor whose stellar career has garnered her World Fantasy Awards a Stoker Award and a Hugo Award has long been fascinated by ghosts Now she has brought together an array of all new original ghost stories for the shivering delight of readers who are ready to be frightened And that s no idle threat These are not friendly ghost stories This book is called The Dark because the editor asked her favorite authors specifically for stories that would provoke fear or disquietude tales that would cause shivers down the spine and make readers want to keep a light on when they retire to bed for the night The authors who answered her call compose an all star cast of brilliant storytellers including such award winning certifiably masterful authors as Ramsey Campbell Jeffrey Ford Charles L Grant Glen Hirshberg Kathe Koja Tanith Lee Kelly Link Sharyn McCrumb Joyce Carol Oates Lucius Shepard and Gahan Wilson Frighteningly good writers Each has penned a unique tale unlike any of the others All have cast dark spells that are sure to inspire fear or unease in the hardiest of readers At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

*Harley and Me* Bernadette Murphy,2016-04-18

Bernadette Murphy s luminous book shows us how to take risks that make us fierce and vulnerable knowing that true strength is about being generous as much as it is about not giving in Emily Rapp Black author of *The Still Point of the Turning World* and *Poster Child* What happens when women in midlife step out of what s predictable For Bernadette Murphy learning to ride a motorcycle at forty eight becomes the catalyst that transforms her from a settled wife and professor with three teenage children into a woman on her own The confidence she gained from mastering a new skill and conquering her fears gave her the courage to face deeper issues in her own life and start taking risks It is a fact that men and women alike become more risk averse in our later years which according to psychologists and neuroscience is exactly what we should not do And Murphy stresses that while hers is a story of transformation using a physical risk emotional and educational risks can serve the same beneficial purpose for other women Murphy uses her own story to explore the larger idea of how risk changes our brain chemistry how certain personality types embrace dangerous behavior and why it energizes them and why women s expectations change once estrogen levels drop after the childbearing years She also explores the idea of women and risk in pop culture why there are so few stories of the conquering heroine instead of hero Surely Thelma and Louise driving off the

cliff should not be our only pop culture reference for women finding true freedom With scientific research and journalistic interviews weaving through a page turning road trip narrative *Harley and Me* is a compelling look at how one woman changed her life and found deeper meaning out on the open road

**Doom of the Dragon** Margaret Weis, Tracy Hickman, 2016-01-05 In three previous novels Skylan Iverson overcame obstacles that would have defeated a lesser man rising from obscurity to become the Chief of Chiefs of the fearsome Vindrasi who sail their living dragonships far and wide to raid and plunder for the glory of the gods However a cruel twist of fate struck him down before he and his beloved could complete their quest for the five sacred dragonbones that would summon the great dragon Ilyrion and save their people from destruction at the hands of an evil god But even true death is denied him and his destiny is unfulfilled Caught between life and death he must lead those who journeyed with him to battle the evil god and the vast army of the god and his human emperor Skylan must fight as he never has before to win back his life and his love while seeking the last Spiritbone the key to summoning the ultimate victory before it can be snatched away by the forces of evil Weis and Hickman have crafted a pulse pounding fantasy adventure that brings this great saga to a rousing satisfying conclusion that will stir the passions of their legions of fans

**Blood Trade** Faith Hunter, 2013-04-02 Jane Yellowrock is a shape shifting skinwalker who s always up for a fight even if it means putting her life on the line The Master of Natchez Mississippi has a nasty problem on his hands Rogue vampires those who follow the Naturaleza and believe that humans should be nothing more than prey to be hunted are terrorizing his city Luckily he knows the perfect skinwalker to call in to take back the streets But what he doesn t tell Jane is that there s something different about these vamps Something that makes them harder to kill even for a pro like Jane Now her simple job has turned into a fight to stay alive and to protect the desperately ill child left in her care

**Down to Earth (Colonization, Book Two)** Harry Turtledove,2002-01-08 In 1942 Hitler led the world s most savage military machine Stalin ruled Russia while America was just beginning to show its strength in World War II Then in Harry Turtledove s brilliantly imagined Worldwar saga an alien invasion changed everything alliances technology commerce and most of all the nature of life and death Nuclear destruction engulfed some of Earth s great cities and the invaders claimed half the planet before an uneasy peace could be achieved Colonization takes us into the tumultuous 1960s as the reptilian Race ponders its uneasy future on the planet it calls Tosev 3 The United States has prospered since the war and has sent a manned spaceship deep into space On the other side of the globe the German Reich remains bloodied but unbowed brandishing a frightening new weapon and always poised for war China strains under alien occupation and from Poland to Jerusalem Jews must choose between aiding the Race or the Reich Now the invaders have been joined by their colonization fleet millions of newcomers who seek to incorporate our world into their far flung empire A violent black market erupts around ginger the one substance that deprives the alien colonists of their ability to reason and a new war threatens one even deadlier than the last The clamoring bellicose tribes of Earth form new alliances and play dangerous games of diplomacy but the ultimate power broker will be the Race itself For the colonists have one option no human can ignore With a vast ancient empire already in place the Race has the power to annihilate every living being on Tosev 3 In Colonization Down to Earth Harry Turtledove continues the breathtaking tale that has established him as one of alternate history s leading practitioners Populated by a cast that includes the famous from Khomeni to Himmler and the unknown drug smugglers soldiers and lovers this novel continues the excitement of Colonization Second Contact and weaves a spectacular tale of tyranny and freedom

destruction and hope      *Second Contact (Colonization, Book One)* Harry Turtledove, 2002-01-08 A tour de force of speculative historical fiction Highly recommended Library Journal In the extraordinary Worldwar tetralogy set against the backdrop of World War II Harry Turtledove the Hugo winning master of alternate SF Publishers Weekly wove an explosive saga of world powers locked in conflict against an enemy from the stars Now he expands his magnificent epic into the volatile 1960s when the space race is in its infancy and humanity must face its greatest challenge alien colonization of planet Earth Yet even in the shadow of this inexorable foe the United States the Soviet Union and Nazi Germany are unable to relinquish their hostilities and unite against a massive new wave of extraterrestrials For all the countries of the world this is the greatest threat of all This time the terrible price of defeat will be the conquest of our world and perhaps the extinction of the human race itself Praise for *Second Contact* An exciting often surprising story that will not only delight his fans but will probably send newcomers back to the Worldwar saga Publishers Weekly starred review Outstanding entertainment Booklist

**Female Rebellion in Young Adult Dystopian Fiction** Sara K. Day, Miranda A. Green-Barteet, Amy L. Montz, 2016-04-15 Responding to the increasingly powerful presence of dystopian literature for young adults this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood The contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature literature for and about young women and cultural expectations of adolescent womanhood Divided into three sections the collection investigates cultural assumptions and expectations of adolescent women considers the various means of resistance and rebellion made available to and explored by female protagonists and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her In a series of thought provoking essays on a wide range of writers that includes Libba Bray Scott Westerfeld Tahereh Mafi Veronica Roth Marissa Meyer Ally Condie and Suzanne Collins the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late twentieth and early twenty first century culture
