**Favorite Uke Tunes** Norm Jones,2010-10-07 The format used in this book was developed by Norm Jones a self taught non music reading ukulele enthusiast Norm was unable to find the songs that he wanted in just a lyric chord format so he developed his own He later added thematic graphics to make the sheets more attractive the music is not provided so it is necessary that the player know the tune However this is a great format for people who either play or would like to play the ukulele but don't read music the novelty of this format will entertain and provide enjoyment to those who are more accomplished strummers as well
