Ukzn Forms Admission 2016:

A History of the Present Ashwin Desai, Goolam Vahed, 2019-09-12 Through the long 20th century Indian South Africans lived under the whip of settler colonialism and white minority rule which saw the passing of a slew of legislation that circumscribed their freedom of movement threatened repatriation and denied them citizenship all the while herding them into racially segregated townships This volume chronicles the broad outlines of this history Taking the story into the present it provides an analysis of how Indian South Africans have responded to changes wrought by the remarkable collapse of apartheid and the holding of the first democratic elections in 1994 Drawing upon archival records in depth interviews and ethnography this study examines the ways in which Indian South Africans define themselves and the world around them and how they are defined by others It tells of the incredible journey of Indian South Africans many of whom are fourth and fifth generation towards being recognized as citizens in the land of their birth and how while often attracted by and seeking to explore their roots in India they continue to dig deeper roots in African soil [Health Research Governance in Africa](#) Cheluchi Onyemelukwe-Onuobia, 2018-09-06 The globalisation of research has resulted in the increased location of research involving humans in developing countries Countries in Africa along with China and India have seen research grow significantly With emerging infectious diseases such as Ebola and Zika emphasising the risk of public health crises throughout the world a further increase in health research including clinical research in developing countries which are often the sites of these diseases becomes inevitable This growth raises questions about domestic regulation and the governance of health research This book presents a comprehensive and systemic view of the regulation of research involving humans in African countries It employs case studies from four countries in which research activities continue to rise and which have taken steps to regulate health research activity South Africa Nigeria Kenya and Egypt The book examines the historical and political contexts of these governance efforts It describes the research context some of the research taking place and the current challenges It also looks at the governance mechanisms ranging from domestic ethical guidelines to legal frameworks the strengthening of existing regulatory agencies to the role of professional regulatory bodies The book analyses the adequacy of current governance arrangements within African countries and puts forward recommendations to improve the emerging governance systems for health research in African and other developing countries It book will be a valuable resource for academics researchers practitioners and policy makers working in the areas of health research biomedical ethics health law and regulation in developing countries *Social Justice and Education in the 21st Century* Willie Pearson Jr., Vijay Reddy, 2021-04-10 The world is not an equal place There are high and low income countries and high and low income households For each group there are differential educational opportunities leading to differential educational outcomes and differential labor market opportunities This pattern often reproduces the privileges and inequalities of groups in a society This book explores this differentiation in education from a social justice lens Comparing the United States and South Africa

this book analyzes each country's developmental thinking on education from human capital and human rights approaches in both primary and higher education. The enclosed contributions draw from different disciplines including legal studies, sociology, psychology, computer science, and public policy. **Sexual Harassment, Law and Human Rights in Africa** Ebenezer Durojaye, Satang Nabaneh, Toun Adebajo, 2023-07-17. This book delves into the endemic and pervasive issue of sexual harassment in Africa, examining it as a gendered expression of power and a gross violation of human rights. It explores sexual harassment in various sectors including domestic work, academia, and the informal economy across a range of African countries. The book also highlights the sexual harassment experienced by vulnerable populations such as internally displaced people, people with disabilities, and women and girls traveling by air. With a keen focus on the intersection of law, feminism, and human rights, the book analyzes the role of the courts and national human rights institutions in addressing sexual harassment, drawing lessons from other jurisdictions. This book is a must-read for researchers, policymakers, and civil society organizations interested in gender, power relations, and women's rights in Africa and beyond.
