Ukzn 2015 Department Of Built Environment:

African Perspectives on Poverty, Indigenous Knowledge Systems, and Innovation Oliver Mtapuri, 2022-11-15 This book examines the connections between poverty and innovation in Africa Through case studies and theorizations from a distinctly African perspective it stands in contrast to current theoretical works in the field which remain very much rooted in Western orientated thinking The book investigates the application of methodologies which explain numerous African contexts in connection with issues of poverty and inequality It reflects on comparative practices and praxes on the African continent including commonplace traditions and practices in alleviating poverty taken against a background of the failure of current prescriptions for poverty alleviation such as the Structural Adjustment Programmes SAPs and the Poverty Reduction Strategy Papers PRSP There is a dire need for new practical perspectives which move Africa forward using its indigenous knowledge Owing to a general lack of recorded African theories and methodologies on poverty inequality and innovation this book represents a pioneering corpus of African knowledge addressing poverty and inequality through local innovations Adopting a transdisciplinary approach it is relevant to students and scholars in development studies and economics African studies social studies political history and political economy climate studies anthropology and geography

Crisis, Identity and Migration in Post-Colonial Southern Africa Hangwelani Hope Magidimisha, Nene Ernest Khalema, Lovemore Chipungu, Tamuka C. Chirimambowa, Tinashe Lukas Chimedza, 2017-07-24 This book offers a socio historical analysis of migration and the possibilities of regional integration in Southern Africa It examines both the historical roots of and contemporary challenges regarding the social economic and geo political causes of migration and its consequences i e xenophobia to illustrate how diaspora migrations have shaped a sense of identity citizenry and belonging in the region By discussing immigration policies and processes and highlighting how the struggle for belonging is mediated by new pressures concerning economic security social inequality and globalist challenges the book develops policy responses to the challenge of social and economic exclusion as well as xenophobic violence in Southern Africa This timely and highly informative book will appeal to all scholars activists and policy makers looking to revisit migration policies and realign them with current globalization and regional integration trends

Geographies of Urban Governance Joyeeta Gupta, Karin Pfeffer, Hebe Verrest, Mirjam Ros-Tonen, 2015-08-08 With a current population inflow into cities of 200 000 people per day UN Habitat expects that up to 75% of the global population will live in cities by 2050 Influenced by forces of globalization and global change cities and urban life are transforming rapidly impacting human welfare economic development and urban regional landscapes This poses new challenges to urban governance while emerging city networks advancing geo technologies and increasing production of continuous data streams require governance actors to re think and re work conventional work processes and practices This book has been written to enhance our understanding of how governance can contribute to the development of just and resilient cities in a context of rapid urban transformations It examines current governance patterns

from a geographical and inclusive development perspective emphasizing the importance of place space scale and human environment interactions and paying attention to contemporary processes of participation networking and spatialized digitization The challenge we are facing is to turn future cities into inclusive cities that are diverse but just and within their ecological limits We believe that the state of the art overview of topical discussions on governance theories instruments methods and practices presented in this book provides a basis for understanding and analyzing these challenges

Enhancing Democracy With Coalition Governments and Politics Tshishonga, Ndwakhulu Stephen, 2024-05-20

Political coalition formation is a global strategy employed by leaders and parties in their pursuit of power This practice takes on particular significance in post colonial Africa where coalition governments have emerged as responses to challenges faced by the electoral base of liberation parties In countries like Congo Kinshasa Zimbabwe Nigeria Mauritius South Africa and the Kingdom of Lesotho coalition politics serves as a model for conflict resolution and democratic governance Enhancing Democracy With Coalition Governments and Politics delves into this complex landscape thoroughly investigating the pivotal role of coalition governments formed both before and after elections It sheds light on the challenges posed to dominant liberation movements and the urgent need for a radical agenda to address corruption maladministration and the abuse of political power The book focuses on Africa s pursuit of sound electoral democracy and democratic governance Enhancing Democracy With Coalition Governments and Politics aims to conceptually understand coalition governments trace their historical evolution in Africa interrogate the triggers for coalition formation assess their impact on electoral democracy and explore coalition politics at both local and national levels By providing theoretical and empirical insights the book equips policymakers practitioners scholars and researchers in the fields of Politics Sociology Public Administration and Development Studies with tools to comprehend form manage and sustain political coalitions as vehicles for democratic governance

Handbook of Research on Learner-Centered Approaches to Teaching in an Age of Transformational Change Bromer, Billi L., Crawford, Caroline M., 2022-06-24 Institutions of education are in an age of transformational change in which learning has a wider scope of understanding and long term impact than ever before Those involved in teaching and learning require additional training and subject matter support towards developing a broader and more profoundly complex understanding of the learners affected by evolving sociological events and associated needs More than ever a broader understanding of the learner is needed inclusive of a learner centered approach to both teaching and learner cognitive engagement The Handbook of Research on Learner Centered Approaches to Teaching in an Age of Transformational Change examines the abundant transformational changes that have occurred and provide strategies to understand and address them It draws from a wide range of experts and provides a burgeoning understanding of the effects of these rapidly moving transformational changes that are occurring in the processes of teaching and learning Exploring a wide range of issues such as community engagement scholarship motivation driven assignment design and trauma informed practices this major reference work is an invaluable

resource for educators of K 12 and higher education educational faculty and administration pre service teachers government officials non profit organizations sociologists libraries researchers and academicians *Handbook of Active Ageing and Quality of Life* Fermina Rojo-Pérez, Gloria Fernández-Mayoralas, 2021-04-12 This handbook presents an overview of studies on the relationship of active ageing and quality of life It addresses the new challenges of ageing from the paradigm of positive ageing active healthy and successful for a better quality of life It provides theoretical perspectives and empirical studies including scientific knowledge as well as practical experiences about the good ageing and the quality of later life around the world in order to respond to the challenges of an aged population The handbook is structured in 4 sections covering theoretical and conceptual perspectives social policy issues and research agenda methods measurement instrument scales and evaluations and lastly application studies including domains and geographical contexts Chapter 5 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com/div](https://www.springer.com/div) *Valuing Development, Environment and Conservation* Sarah Bracking, Aurora Fredriksen, Sian Sullivan, Philip Woodhouse, 2018-10-17 Policy makers are increasingly trying to assign economic values to areas such as ecologies the atmosphere even human lives These new values assigned to areas previously considered outside of economic systems often act to qualify alter or replace former non pecuniary values *Valuing Development Environment and Conservation* looks to explore the complex interdependencies contradictions and trade offs that can take place between economic values and the social environmental political and ethical systems that inform non monetary valuation processes Using rich empirical material the book explores the processes of valuation their components calculative technologies and outcomes in different social ecological and conservation domains The book gives reasons for why economic calculation tends to dominate in practice but also presents new insights on how the disobedient materiality of things and the ingenuity of human and non human agencies can combine and frustrate the dominant economic models within calculative processes This book highlights the tension between on the one hand a dominant model that emphasises technical and universalising criteria and on the other hand valuation practice in specific local contexts which is more likely to negotiate criteria that are plural incommensurable and political This book is perfect for researchers and students within development studies environment geography politics sociology and anthropology who are looking for new insights into how processes of valuation take place in the 21st century and with what consequential outcomes

Children in South African Families Nene Ernest Khalema, Monde Makiwane, Mzikazi Nduna, 2016-09-23 This book presents a comprehensive overview of African children s lives in times of transition transformation and change some twenty two years after political emancipation in South Africa With diverse family formations non marital childbearing and diverse parenting situations prevalent in South Africa the book covers both the conceptual and theoretical questions that explore the context of children s experiences It uses examples from a range of primary and secondary data sources to illustrate how resilience in children faced with adversity could be nurtured demonstrating the links between theory and practice and

critically commenting on questions of epistemology by drawing on research with children within different African social and cultural contexts While the volume affirms the complexities of explaining child adversity or privilege it stresses the diversity of South African children s experiences and the importance of adopting both children s rights and Afro centric perspectives to account for the commonality and diversity of childhood and children s empowerment in diverse family systems The contributions also provide recommendations on how to respond and intervene in children s issues from both practical and policy levels in a dedicated manner to ensure that children are protected from harm nurtured to succeed and assisted during and after traumatic experiences This volume represents a valuable resource for scholars and students in the fields of humanities social science development studies and public health as well as policy makers child practitioners and child rights advocates

Innovation for inclusive development and transformation in South Africa Charles Hongoro,Cyril

Adonis,Konosoang Sobane,2023-03-01 Science technology and innovation STI are generally accepted as major drivers of growth and can help address poverty and directly improve the well being of different groups in society However under certain circumstances STI can reinforce social exclusion and inequalities This book explores discourses around directionality and the importance of Innovation for Inclusive Development IID in addressing policy questions that explore the relationship between IID with inequalities in income and opportunities It seeks to unpack the concept of IID and what it means in a country such as South Africa a country characterised by endemic poverty deepening inequality and high levels of unemployment The book is largely original and based on a critique of existing literature to expose specific issues or bolster specific arguments about the role of IID in equitable and inclusive development This book has been written by various scholars who understand the various notions of IID and how it can possibly be applied and the relevance of such knowledge for policy programmes and practice

Millennium Development Goals (MDGs) in Retrospect Nathan Andrews,Nene

Ernest Khalema,N'Dri T. Assié-Lumumba,2015-06-10 This volume examines the impact of the Millennium Development Goals MDGs on Africa s development post 2015 It assesses the current state of the MDGs in Africa by outlining the successes gaps and failures of the state goals including lessons learned A unique feature of the book is the exposition on post MDG s agenda for Africa s development Chapters on poverty south south partnership aid gender empowerment health as well as governance and development explore what feasible alternative lie ahead for Africa beyond the expiry date of the MDGs

Fighting for

Empowerment in an Age of Violence Boskovic, Milica,Misev, Gordana,Putnik, Nenad,2022-06-30 In today s modern world persistent violence against vulnerable groups and minorities permeates societies making it difficult for them to flourish Empowering these groups has never been more important as society attempts to evolve and focus on inclusion To understand the best practices and challenges of empowerment for minorities further study is required Fighting for Empowerment in an Age of Violence analyzes the different forms of violence against vulnerable groups and minorities states their civil rights and illustrates the forms of weakening and violence supported by authorities against their own citizens The book also highlights

the challenges for people marked as unequal or weak and the possibilities that the 21st century offers to empower them Covering topics such as gender roles political violence societal security and globalization this reference work is ideal for government officials sociologists psychologists politicians security experts activists researchers academicians practitioners scholars educators and students

Impact of Information Society Research in the Global South Arul Chib, Julian May, Roxana Barrantes, 2015-04-15 The second volume in the SIRCA book series investigates the impact of information society initiatives by extending the boundaries of academic research into the realm of practice Global in scope it includes contributions and research projects from Asia Africa and Latin America The international scholarly community has taken a variety of approaches to question the impact of information society initiatives on populations in the Global South This book addresses two aspects Impact of research How is the research on ICTs in the Global South playing a role in creating an information society e g policy formulation media coverage implementation in practice and Research on impact What is the evidence for the impact of ICTs on society i e the objectives of socio economic development This volume brings together a multiplicity of voices and approaches from social scientific research to produce an engaging volume for a variety of stakeholders including academics researchers practitioners policy makers and those in the business and civil sectors of society

The Politics of Slums in the Global South Véronique Dupont, David Jordhus-Lier, Catherine Sutherland, Einar Braathen, 2015-08-27 Seeing urban politics from the perspective of those who reside in slums offers an important dimension to the study of urbanism in the global South Many people living in sub standard conditions do not have their rights as urban citizens recognised and realise that they cannot rely on formal democratic channels or governance structures Through in depth case studies and comparative research The Politics of Slums in the Global South Urban Informality in Brazil India South Africa and Peru integrates conceptual discussions on urban political dynamics with empirical material from research undertaken in Rio de Janeiro Delhi Chennai Cape Town Durban and Lima The chapters engage with the relevant literature and present empirical material on urban governance and cities in the South housing policy for the urban poor the politics of knowledge and social mobilisation Recent theories on urban informality and subaltern urbanism are explored and the issue of popular participation in public interventions is critically assessed The book is aimed at a scholarly readership of postgraduate students and

researchers in development studies urban geography political science urban sociology and political geography It is also of great value to urban decision makers and practitioners

Culture and Rural-Urban Revitalisation in South Africa

Mziwoxolo Sirayi, Modimowabarwa Kanyane, Giulio Verdini, 2021-06-14 This book captures ground breaking attempts to utilise culture in territorial development and regeneration processes in the context of South Africa and our new normal brought by COVID 19 the fourth industrial revolution and climate change the world over The importance of culture in rural urban revitalisation has been underestimated in South Africa and the African continent at large Despite some cultural initiatives that are still at developmental stages in big cities such as Johannesburg eThekweni and Cape Town there is concern about the absence of sustainable policies and plans to support culture creativity and indigenous knowledge at national and municipal levels Showcasing alternative strategies for making culture central to development this book discusses opportunities to shift culture and indigenous knowledge from the peripheries and place them at the epicentre of sustainable development and the mainstream of cultural planning which can then be applied in the contexts of Africa and the Global South Governmental institutions research councils civil society organisations private sector and higher education institutions come together in a joint effort to explain the nexus between culture economic development rural urban linkages grassroots and technological innovations Culture and Rural Urban Revitalization in South Africa is an ideal read for those interested in rural and urban planning cultural policy indigenous knowledge and smart rural village model

Digital

Preservation and Documentation of Global Indigenous Knowledge Systems Masenya, Tlou Maggie, 2023-08-03 Indigenous knowledge is regarded as undocumented cultural local traditional and community knowledge produced and owned by local people in their specific communities It is mainly preserved in the memories of elders and shared or passed on from generation to generation through oral communication traditional practices and demonstrations This irreplaceable resource may be lost forever as a direct result of the pressures of modernization colonization and globalization Concern over the loss of Indigenous knowledge has thus raised a need for the preservation and documentation of this knowledge in digital formats Digital Preservation and Documentation of Global Indigenous Knowledge Systems determines how Indigenous knowledge can be documented and digitally preserved to benefit Indigenous knowledge owners and their communities and be accessible for future generations The book provides the best practices innovative strategies theoretical and conceptual frameworks and empirical research findings regarding the digital preservation and documentation of Indigenous knowledge systems worldwide Covering topics such as digital media platforms educational management and knowledge systems this premier reference source is a valuable and useful tool for students information professionals knowledge managers records managers Indigenous knowledge owners Indigenous community leaders librarians archivists computer scientists information technology specialists students and educators of higher education researchers and academicians

Finding a moral

compass for South Africa JM Vorster, 2023-07-31 The research question of this book reads Can South Africans amidst all the

contemporary distrust in political leadership and moral decay find a moral compass that could lead them to a humane society of mutual trust respect for each other a flourishing life and a bright future for future generations This book presents new perspectives on the psychopathology created by colonisation the failures of the post 1994 dispensation regarding reconciliation transformation justice distorted family life violence unity in diversity as well as moral leadership and agency and indifference to a future of hope It proposes a new moral compass that can lead South Africa out of the abyss

Ukzn 2015 Department Of Built Environment Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ukzn 2015 Department Of Built Environment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ukzn 2015 Department Of Built Environment has opened up a world of possibilities. Downloading Ukzn 2015 Department Of Built Environment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ukzn 2015 Department Of Built Environment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ukzn 2015 Department Of Built Environment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ukzn 2015 Department Of Built Environment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ukzn 2015 Department Of Built Environment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Ukzn 2015 Department Of Built Environment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ukzn 2015 Department Of Built Environment Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
