Indenture Aesthetics Jordache A Ellapen, 2024-11-29 In *Indenture Aesthetics* Jordache A Ellapen examines the visual and performance art practices of feminist queer femme and gender nonconforming Afro Indian and South African black artists to understand the paradoxes of freedom in contemporary South Africa Tracing the afterlife of apartheid era racial categories and revisiting Bantu Stephen Biko's Black Consciousness Ellapen theorizes South African blackness through the Indian Ocean World showing how the development of an Afro Indian identity after generations of indentured labor and segregation troubles persistent racial hierarchies Staging unexpected encounters between artists such as Sharlene Khan Mohau Modisakeng Lebohang Kganye and Reshma Chhibha he analyzes how their works challenge these racial categories to create new imaginaries of freedom Situated in a context in which the authentic hetero normative black subject of the post apartheid state is bracketed from other formulations of blackness these artists aesthetic practices alongside those of other artists like Ellapen himself disrupt desires for national belonging and catalyze alternative and transgressive politics and subjects By rethinking the relationship between blackness Afro Indianness and Africanness Ellapen highlights the role of the aesthetic in crafting a blueprint for coalitional building across difference in contemporary South Africa

Rider Haggard, 2014-03-17 Dear Mr Stuart For twenty years I believe I am right in saying you as Assistant Secretary for Native Affairs in Natal and in other offices have been intimately acquainted with the Zulu people Moreover you are one of the few living men who have made a deep and scientific study of their language their customs and their history So I confess that I was the more pleased after you were so good as to read this tale the second book of the epic of the vengeance of Zikali the Thing that should never have been born and of the fall of the House of Senzangakona 1 when you wrote to me

that it was animated by the true Zulu spirit I must admit that my acquaintance with this people dates from a period which closed almost before your day What I know of them I gathered at the time when Cetewayo of whom my volume tells was in his glory previous to the evil hour in which he found himself driven by the clamour of his regiments cut off as they were through the annexation of the Transvaal from their hereditary trade of war to match himself against the British strength I learned it all by personal observation in the seventies or from the lips of the great Shepstone my chief and friend and from my colleagues Osborn Fynney Clarke and others every one of them long since gone down

Nada the Lily H. Rider Haggard, 2002-08-01 The tale of the youth of Umslopogaas holder of the iron Chieftainess the axe Groan maker who was named Bulalio the Slaughterer and of his love for Nada the most beautiful of Zulu women

Insila, the Eyes and Ears of the King John Dube, 2017-10-12 Insila the Eyes and Ears of the King is a fresh modern translation of the Zulu novel Insila kaShaka which was first published in 1931 the first novel by a Zulu writer Dube's narrative is an extraordinary gripping and haunting window into Zulu life as it was lived before the land was lost to the Europeans It tells of a young man Jeje who is summoned by Emperor Shaka to his Royal Residence at Dukuza to be his Insila There is no accurate translation of the word insila The only way to find out what it entails is to read Dube's book An earlier translator J Boxwell translated it as bodyservant This captures only one aspect of the Insila's role The word insila means body dirt and conveys the fact that the Insila becomes very close to and inseparable from the king When Shaka is murdered by his half brothers Jeje must be buried along with Shaka's wives and his earthly possessions Jeje's Buthelezi ancestors come to him in a dream They tell him he still has much to accomplish and he flees This is the start of an enthralling adventure involving traversing dangerous bushveld teeming with wild animals of all kinds crossing mighty rivers and negotiating lands populated by foreign peoples The story includes some wonderful and thrilling encounters the courting of Zakhi the love of his life the island school of Nkosazana the female mistress of traditional medicine and divining in the swamps of the Usuthu River between what is now South Africa and Mozambique and an apocalyptic landscape of abandoned villages and dying people on a plateau in the Ubombo Mountains Dube is anxious to record the culture and social conditions of the time as well as to tell the story It is thus a Zulu novel in a real sense quite different to the form that developed in the West This translation of Insila kaShaka by Thembanani Ndiya Nene and Robert Mshengu Kavanagh comes with a substantial introduction and a glossary

The King's Assegai Bertram Mitford, 2007 Set in the turbulent early 1800s before British colonisation in South Africa The King's Assegai 1894 is a gripping narrative of a young Zulu warrior's passage through crisis Together with an army of fellow Zulus Untuswa flees the harsh rule of the Zulu king Shaka to establish a new nation under a new leader Umzilikazi Untuswa quickly earns the King's favour and is appointed his chief messenger emboldened by this honour he asks the King's permission to marry Laughing the King promises to give Untuswa not only permission to marry but also his assegai his spear which in his hand is symbol of his authority but only if Untuswa performs a deed braver and bolder than

any he has heard of Untuswa determined to claim performance of this promise fights ferociously against enemy tribes confronts the terrifying magic of the witch doctors and risks death at the hands of cannibals in the mountains But these dangers are nothing compared to the fate that awaits him when he does the unthinkable elope with the King s intended bride The first of Bertram Mitford s tetralogy of historical Zulu novels The King s Assegai is remarkable for being a novel written by a white man but peopled entirely by African characters Based on Mitford s own experiences in South Africa and local oral tradition The King s Assegai is not simply a great British novel about Africa but as Gerald Monsman argues in his introduction a great African novel Long out of print and neglected The King s Assegai deserves a place alongside H Rider Haggard s Nada the Lily as precursor to later established African classics such as Chinua Achebe s Things Fall Apart
